

Executive Biography

Jennifer DiPietro

Founder & President, R&R Contracting Utilities, Inc.

Jennifer DiPietro is the Founder and President of R&R Contracting Utilities Inc. and has led the company since its founding in 1994. With more than four decades of experience in construction, utility infrastructure, operations, and business management, Jennifer has played a central role in building R&R into a respected contractor throughout the Mid-Atlantic region.

Jennifer oversees all aspects of the company's operations, including strategic planning, contract negotiations, workforce leadership, safety programs, client relations, and project execution. Her hands-on leadership style and deep field knowledge stem from a lifelong background in heavy construction and utility work, beginning in her family's excavation and utility contracting business at an early age.

Under Jennifer's leadership, R&R has earned certification as a Women-Owned, Minority-Owned, and Disadvantaged Business Enterprise across multiple states and agencies, including MDOT, WMATA, DDOT, DelDOT, SWaM, and PennDOT. In 2007, she received the Baltimore County Executive Citation recognizing R&R as Women's Business Enterprise of the Year.

Known for her operational expertise, industry relationships, and commitment to quality and safety, Jennifer continues to lead R&R's long-term vision and growth while maintaining a strong focus on customer service, accountability, and project execution.
