Subject: Calala BESS – Traffic Management Plan

Dear Mr. Prent

I refer to your submission requesting review and approval of the revised Traffic Management Plan in accordance with Schedule 2 Condition B10 of the Development Consent for the Calala BESS (SSD-52786213) following the approval of Modification 1. I also acknowledge your responses to the Department's review comments and various requests for additional information.

I note that the Traffic Management Plan has been prepared in consultation with TfNSW and Tamworth Regional Council and contains the information required by the conditions of consent.

Accordingly, as nominee of the Planning Secretary, I approve the Traffic Management Plan (Revision D, dated 15 July 2026), for Stage 1a to Stage 1d inclusively.

You are reminded that if there are any inconsistencies between the Traffic Management Plan and the conditions of consent, the conditions will prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely

Iwan Davies
Director
Energy Assessments

As nominee of the Planning Secretary
