Sri Ramakrishna Institute of Paramedical Sciences (SRIPMS) – College of Physiotherapy

Being an alumnus of **Sri Ramakrishna Institute of Paramedical Sciences (SRIPMS), College of Physiotherapy** is one of the greatest privileges of my professional life. The institution provided far more than academic excellence—it nurtured character, instilled discipline, inspired curiosity, and cultivated a deep commitment to serving society through compassionate healthcare.

The strong academic foundation, exceptional mentorship, and values-driven education I received at SRIPMS have shaped every stage of my career. The lessons learned within its classrooms and clinical settings continue to guide my work as an educator, researcher, clinician, and academic leader.

Today, SRIPMS is represented across the world by its accomplished alumni, who are making meaningful contributions to patient care, education, research, administration, and innovation. Their achievements reflect the institution's unwavering dedication to producing professionals who combine clinical competence with integrity, empathy, and leadership.

Looking back on my journey, I remain deeply thankful to my teachers, mentors, and the institution that believed in my potential and empowered me to pursue excellence. I carry the values of SRIPMS with pride and will always cherish my lifelong association with this exceptional institution.

With sincere gratitude and enduring pride,

Dr. Manikandan Natarajan (1994 Batch)
