Professional Profile

Mrs.Elamathi R. is a Lecturer / Assistant Professor and a certified STEM educator with **4+ years of professional experience** in physiotherapy education. She has a multidisciplinary academic background integrating physiotherapy, psychology, yoga, and innovative teaching methodologies. Her dedication to student-centered learning and evidence-based practice has contributed significantly to physiotherapy education.

A Certified STEM Educator, she is the founder of "**Learn Like a Pro**," an educational YouTube initiative developed to support physiotherapy students through the integration of STEM-based learning approaches. In recognition of the impact and innovation of this initiative, she received the **STEM Education Impact Award for Excellence in STEM Education (2025)**. Through this platform, she continues to promote accessible, engaging, and evidence-based learning for aspiring physiotherapy professionals.
