

Volunteering

The work of Action Point is supported by over 150 local volunteers. Without their help, we could not deliver the range and quality of services we achieve. If you choose to be part of this amazing team, we provide:

- Training
- Out of pocket expenses
- Support from our friendly team
- DBS (if required for the role)

There are many benefits to becoming a volunteer:

- New skills & work experience
- Enhanced CV
- Sense of achievement
- New friends
- Improved mental and physical wellbeing

If you are interested in volunteering but haven't found what you are looking for, we can still help. Action Point works in partnership with Volunteering Bradford to offer a volunteering brokerage service across the district.

Finding a volunteer role couldn't be easier! you can either search online via our volunteering portal Volunteer Plus or arrange to call in and speak to a friendly volunteer advisor.
