ON THE COVER

In memory of Deputy Darnell Calhoun (EOW Jan. 13, 2023) and Motor Deputy Isaiah Cordero (EOW Dec. 29, 2022).

2023, A YEAR OF TRAGIC LOSS AND MEMBER SUPPORT

By Bill Young
RSA President

Hello everyone from RSA, I hope this message finds you and your family well. This message will serve as my January President's Message and RSA's 2024 Annual Report as required by our Bylaws (RSA Bylaws Section 5.05 Duties of the President, sub-section I). During the calendar year of 2023, RSA staff were super busy serving our members and their families.

TRAGIC LOSS & VIOLENCE

As everyone is aware, we as a Department and Association experienced the tragic loss of two of our members back-to-back. RSA staff jumped into action immediately and started supporting the families of our fallen, Deputy Isaiah Cordero and Deputy Darnell Calhoun, who were murdered in the line of duty. Just as the Department, membership, and RSA Staff started to be able to deal with the loss of these two heroes, we got the tragic news that Deputy Brett Harris had died in the line of duty after suffering major injuries from an on-duty traffic collision.

The craziness did not stop there when a member of the public we serve decided to try and kill another one of our Deputies, Deputy Memosh Ahmed, by shooting and critically wounding him. Luckily Deputy Ahmed had an incredible will to survive and was able to direct arriving Deputies and emergency personnel

"The support of the families mentioned above could not have been provided at the level of support that was given without the assistance of the Riverside County Deputy Sheriff Relief Foundation."

on what they needed to do to treat his injuries properly. As Deputy Ahmed progressed through his treatment, RSA Staff continued to support his family.

SUPPORT

The support of the families mentioned above could not have been provided at the level of support that was given without the assistance of the Riverside County Deputy Sheriff Relief Foundation. These examples should remind everyone why it's important to donate to the Relief Foundation via bi-weekly payroll deductions. If you can find it within your means to start, or up your current donation to the Relief Foundation, please call the RSA Office, at (951) 653-5152, and staff can help make the arrangements.

SERVING THE MEMBERSHIP

While dealing with the above-mentioned critical incidents, RSA continued to serve the entire membership. Here is a small list of some of the major accomplishments of RSA during 2023 in support of our mission to "Serve those who Serve."

- Launched a Member Engagement App.
- Increased Social Media engagement by 10 times.
- More than doubled the number of member appreciation, and Smokehouse feeds and events.
- Opened and paid off the RSA Desert Office full-time with an assigned Labor Representative and Benefits Representative.
- Held another successful RSA Member Awards Banquet.

Continued

- Launched the Workers' Compensation/Wellness Program.
- Enrolled our first outside association, the Val Verde School Police Officers' Association, into our Association and Legal Defense Trust.
- Successfully moved our Benefit Trust to a new brokerage firm.
- Implemented CalPERS Direct Pay for our retired members.
- Supported our six Baker to Vegas Teams with a starting line breakfast and RSA post-race banquet.
- Established one of the largest FOP Lodges in the United States, Riverside County Lodge 951.
- Created and filled a new PAC Government Affairs Manager position.
- Increased our PAC Fund balance to remain a key political force in Riverside County and the State.
- On-boarded over 200 new members to the Association, Legal Defense Trust, and Benefit Trust.

- Honored our 2023 fallen deputies and their surviving families, Correctional Lt. Taylor and Deputy Cordero, at the State and National Memorials.
- Supported, and continue to support the families and stations of our fallen Deputies.
- Absorbed medical rate increases for our Regular Members, meaning no rate increases in your medical.
- Offered 3-D body scans and a greatly reduced rate for our members. This led to the discovery of multiple issues that could have been life-threatening had they gone undiscovered or untreated.
- Invested in our members' retirement medical by setting up an increase in the RSA Benefit Trust monthly VEBA payment. The RSA Benefit Trust monthly payment will increase from 80 dollars a month to 200 dollars a month. This should start sometime in the first quarter of 2024.
- Added Riverside County Welfare Fraud Investigators to RSA as Regular Members.
- Secured market adjustments, new money, for our

Correctional Deputies and Probation Officers.

- Continued to address unsettled MOU language for our PSU Unit, while working towards our first actual MOU in years.

These are just some of the major things RSA, at the direction of your Board of Directors, was able to accomplish. 2024 looks to be just as busy as 2023. The most pressing issue will be negotiating new contracts for our Law Enforcement and Corrections Bargaining Units while continuing to fix the problems within our Public Safety Unit MOU. RSA also looks forward to continuing to grow our footprint Nationally while maintaining a strong presence in the State of California.

RSA is also committed to serving our members on a day-to-day basis. If you need something, please reach out and we will make every effort to support your needs. Lastly, please reach out to RSA Staff and increase or start donating to the Riverside County Deputy Sheriff Relief Foundation.

Stay safe out there and help ensure you and your partners go home safe. ★

Chapter 13: Retirees

Lester Harvey

Chapter 13 Director, Retirees

Greetings retirees and Happy New Year. The bi-annual Concealed Carry Weapon (CCW) HR-218 retiree range qualification course will be hosted at the Ben Clark Training Center (BCTC) on Tuesday, March 5, 2024. The range hours for that day will be 10:00 A.M. until 2:00 P.M. The purpose of this event is to provide an opportunity for the retired members to possess and maintain their “CCW” and “HR-218” qualified credentials. This credential allows a retiree to lawfully and legally carry concealed firearms within the state of California, and nation-wide [as governed by the HR-218 standards]. If you are interested in establishing or maintaining your HR-218 CCW permit status, we look forward to facilitating your certification at the next retiree qualification course. Please contact the RSA office to reserve your attendance by February 23, 2024.

Continue to enjoy retirement after a fulfilling career of service to your community, and best wishes for health and happiness.

Best Regards ★

Chapter 19: PSU

Charles Roberts

Chapter 19 Director, PSU

I hope you all had a wonderful holiday season and happy new year. Your PSU negotiations bargaining team lost some members due to retirements and we are seeking volunteers to fill the vacancies. A few current site reps have already volunteered to fill the spots but the team has decided to open it up to all active PSU members in good standing. The hope is, this will broaden the pool of candidates to choose from, bring in a fresh ideas, and encourage some who have not yet volunteered to consider doing so. If you are interested in being on the PSU negotiating team, please put your name in the hat. An email blast should be coming soon explaining how to request consideration (if it isn't out already). If you already asked for consideration, you are still in the running; but you may want to update your request. We expect to go back to the bargaining table at the end of this year or the beginning of next year. Feel free to contact me for more information or contact RSA directly.

Also, please consider donating to the Sheriff's (11-99) Relief Foundation. It is a stand-alone non-profit trust started by RSA to assist members in need. The foundation has been instrumental in helping members and their families through illnesses and tragic deaths, etc. You don't have to donate a lot, even small amounts add up and help. It can be deducted straight from your paycheck to keep it simple/easy. Donation forms can be found on the RSA webpage or I can email you a copy. If you literally have no money to spare, consider donating some time as a site rep or volunteer with the RSA BBQ trailer.

Thank you all for your dedication, service, and support. I hope you all have happy holidays in the coming months.

Stay safe at work and home. ★

Body Scan International

RSA has partnered with Body Scan International to bring you ONSITE body scanning right on location at the RSA West offices!

Beginning now, you and your enrolled spouse can schedule a full body scan* at your convenience. The BSI Body Scan Program screens for diseases of greatest concern to the public safety sector – heart/cardiovascular disease, lower back and neck pathologies, over 20 different types of cancer, chronic lung disease, and many others.

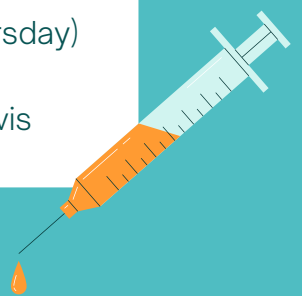

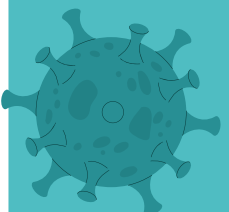

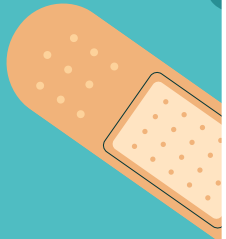

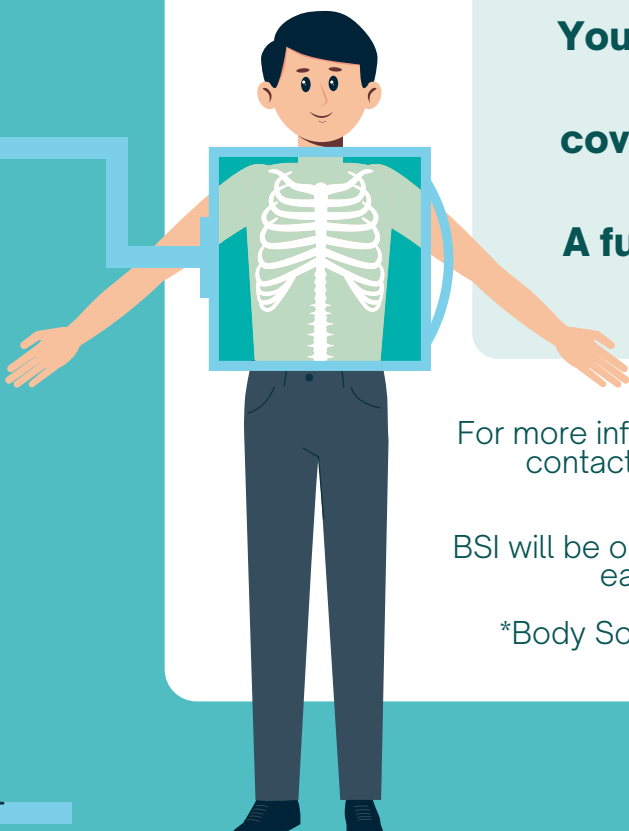

Using state-of-the-art mobile CT technology, you will receive a full 3-D visualization inside your body followed by a complete physician consultation. This is a non-invasive exam that provides a comprehensive, confidential look inside your torso to early-detect, or rule-out, “silent” lesions and anomalies.

The RSA board has negotiated a favorable rate for RSA members. You and your enrolled spouse are each eligible for one fully-covered Body Scan every 2 years for \$140 copay. A full scan normally costs \$1,995!

For more information, or to schedule your appointment, contact BSI directly at 877-274-5577 or go to healthview.com

EOW 01/05/1997

Deputy James W. Lehmann, Jr Deputy Michael P. Haugen

On January 5th, 1997 Deputies Michael Haugen & James W. Lehmann, Jr responded to a domestic violence call in the early morning hours. They were gunned down by a suspect lying in wait and made the ultimate sacrifice and gave their lives. Twenty-seven years to the day we gathered at the Cabazon Sheriff's Station with family and department members to remember and share in our gratitude for those who take the oath to serve and protect, and paid with their lives. Gone but never forgotten.

RSA and the Relief Foundation would like to thank all those who supported this fundraiser and purchased tickets for the Husqvarna FC 450. Phillip Chen (59th State Assembly District), C.A.H.P. Credit Union, and AEO Powersports, we wouldn't be able to do this without their support.

These promotions/raffles are centered around raising money to help you, your fellow officers, and our community at large in times of need. While we would all like to think nothing bad will ever happen to us, the reality is in this line of work and in this day and age the risk is high.

In the brief time RSA has employed me, I have had the honor of seeing all the good and witnessed firsthand the

amount of support the Foundation and RSA offer its members. It is our goal to highlight all the good the Foundation does while bringing more awareness and member engagement to the Foundation.

If you have yet to contribute to the Relief Foundation, we urge you to consider donating and/or participating in our next fundraiser/event. We have exciting events scheduled, here are a few of the upcoming events; RSA Awards Banquet, Baker to Vegas, Golf Tournament, and more. Workers' Compensation Legal Presumptions: Fact V. Fiction

Matthew D. Hill, Esq.
Chief Counsel, RSA Wellness Unit

As is widely known but frequently misunderstood, public safety members benefit from Labor Code “presumptions” for certain injuries/medical conditions. It is common to hear the term “presumptive” when discussing work-injuries for public safety; however, the term “presumptive” is often misconstrued and what it *actually* means is completely lost. This misunderstanding is not intentional; rather, the term “presumptive” is loosely used among members as a means of communicating the injury is obviously work-related. In a member’s mind it is already a foregone conclusions that the injury/condition is work-related.

“What does “presumptive” actually mean?” The Labor Code has recognized those employed in public safety have a greater potential for suffering injury or developing certain medical conditions due to their routine workplace exposures and activities; and as such, those conditions are “presumed” work-related. California Labor Code section 3212 through 3213 outline the medical conditions which are “presumptive;” including: heart trouble, low back, hernia, pneumonia, cancer (and others.) If one of these injuries/conditions develops or manifests, the injury/condition is statutorily presumed work-related for a qualifying member; thereby, *shifting the legal burden* to the employer to prove the injury was *not* related to employment.

“Why is shifting the legal burden so important?” Once the legal presumption for injury is activated, the employer is *required* to prove (with specific, limited, medical evidence) the presumptive injury/condition is not related to employment. At this point, the injured member has met their legal burden of proof. If the employer cannot rebut this presumption of injury with credible evidence, the employer has not overcome their legal burden and the injury is deemed work-related.

Some legal presumptions (including heart trouble) take it one step further and require the employer provide specific evidence proving there is *zero* workplace contribution;

// *Many presumptive injury claims are delayed and/or denied; requiring an injured member to further prove their claim before their employer will accept.* //

otherwise, an employer fails to meet their burden. The legal burden placed upon an employer for rebutting a presumption is extremely high and rightfully so. The legislature has decided to ensure public safety members are treated fairly and promptly in these scenarios with the aim for a quick (and safe) return to work. The high legal standard for rebutting a presumption should also discourage an employer from needlessly fighting an injured member; however, unfortunately that is not always the case.

“This means an employer will accept a presumptive claim immediately, right?” Although the legislature has statutorily provided the presumption for a member’s benefit, it is not a guarantee an employer will automatically accept the claim. Many presumptive injury claims are delayed and/or denied; requiring an injured member to further prove their claim before their employer will accept. Once a delay/denial occurs, the process of proving an injury/condition as work-related then transitions to medical examiners to evaluate the injury/condition and render a conclusion while also considering the member’s legal presumption of injury.

Understanding how workers’ compensation laws apply to medical conditions and workplace injury is important. Learning about rights and benefits are critical in maintaining health and longevity in a public safety member’s career. ★

Concealed Carry In California

Understanding The Landmark Shift In CCW Regulations

By Muna Busailah

RSA/LDT General Counsel

The legal landscape for concealed carry weapons (CCW) in California has seen significant changes recently. Here's what you need to know:

RECENT COURT RULINGS:

December 20, 2023: The US District Court (USDC) issued a preliminary injunction, temporarily halting the enforcement of certain parts of Senate Bill 2. This ruling was

based on the decision that these parts were unconstitutional for individuals holding CCW permits.

December 30, 2023: The Ninth Circuit Court of Appeals maintained the status quo by issuing an administrative stay on this injunction. Then, a week later:

January 6, 2024: The Ninth Circuit Court of Appeals removed the stay allowing the preliminary injunction to take effect. This means CCW permit holders in California can now legally carry their firearms in areas previously designated as gun-free zones under the new law, without fear of prosecution.

“Simply put, CCW holders are not the gun wielders legislators should fear. Indeed, CCW holders are not responsible for any of the mass shootings or horrific gun violence that has occurred in California. CCW holders are among the most responsible, reliable lawabiding citizens.”

UNDERSTANDING SENATE BILL 2:

Background: Signed into law by Governor Newsom on September 26, 2023, and effective from January 1, 2024, Senate Bill 2 (SB2) made significant changes to the CCW permit process and regulations.

Key Changes: SB2 eliminated the ‘good character’ and ‘good cause’ requirements for obtaining a CCW permit. However, it introduced restrictions, prohibiting CCW holders from carrying firearms in 26 types of locations, termed “sensitive places.” The locations where CCW holders are prohibited from carrying include: hospitals, mental health facilities, nursing homes, medical offices, urgent care facilities, public transportation, establishments where intoxicating liquor is sold for consumption on the premises, public gathering and special events, playgrounds and private youth centers, parks and athletic facilities, Parks and Recreation/Fish and Wildlife properties, except in hunting areas, casinos and gambling establishments, stadiums and arenas, public libraries, amusement parks, zoos and museums, places of worship, financial institutions and privately-owned commercial establishments unless the operator clearly posts a sign allowing CCW holders to carry. Basically, all public places in California.

Reaction: This led to a lawsuit from 14 CCW holders and 10 organizations, challenging these restrictions as unconstitutional.

Continued

THE SECOND AMENDMENT:

The Second Amendment protects the individual’s right to own and carry weapons, both inside and outside the home. This includes the right to carry firearms for personal defense.

United States Supreme Court directives in cases *District of Columbia v. Heller*, 554 US 570 (2008), *McDonald v. City of Chicago*, 561 US 742 (2010) and *NY State Rifle & Pistol Ass’n v. Bruen*, 142 S. Ct 2111 (2022) emphasize that the Second Amendment must not be treated as inferior and affirms the right to self-defense through responsible arms bearing.

PRELIMINARY INJUNCTION CRITERIA:

For a preliminary injunction to be granted, plaintiffs must demonstrate: (1) A high likelihood of success in their legal arguments (2) Potential for irreparable harm without the injunction (3) The balance of equities (fairness) favors them (4) The public interest supports the injunction.

The District Court evaluated the above and sided with the plaintiffs, declaring that SB2’s restrictions were unconstitutional and “effectively abolished the right of law-abiding and exceptionally qualified citizens to be armed and to defend themselves in public.”

The court recognized the fundamental right to self-defense and emphasized the reliability and law-abiding nature of CCW holders. “Simply put, CCW holders are not the gun wielders legislators should fear. Indeed, CCW holders are not respon-

sible for any of the mass shootings or horrific gun violence that has occurred in California. CCW holders are among the most responsible, reliable lawabiding citizens. They have been through a vigorous vetting and training process following their application to carry a concealed handgun. The challenged SB2 provisions unconstitutionally deprive this group of their constitutional right to carry a handgun in public for self-defense. Therefore, those provisions must be preliminarily enjoined.”

TAKE AWAY:

Effective immediately, the injunction on SB2 is statewide. Law enforcement agencies should not enforce the SB2 restrictions on CCW holders.

CCW permit holders are now legally permitted to carry in previously restricted “sensitive places.” ★
