Year One Of The Rollin' Smokehouse

By Bill Young
RSA President

Hello everyone, Merry Christmas and happy holidays on behalf of your Board of Directors and RSA Staff.

Within the span of a year, life changed for everyone. We experienced unprecedented pressures due to COVID-19 and protests around the nation like we have never seen before. As first responders, we are sworn to put safety above everything else, and what I witnessed in 2020 showed me that you persevered despite enormous challenges and uncertainties. More than ever, I appreciate your hard work under extraordinary circumstances, and I am incredibly grateful for everything you do.

This time of year, is always hard to work even without a pandemic. Thank you for all you do and please remember to also do your part internally and follow the County guidelines to help slow and hopefully stop the spread of this sickness.

As the year comes to an end, I would like to celebrate the first year of operation for the RSA's Rollin' Smokehouse &

Chow Shack. Through the dedication of Member Services Representative Juvien Galzote and his volunteers, the Smokehouse & Chow Shack has been able to support our Members through Station visits and planned/un-planned Department Operation. During the new year, Juvien and his volunteers plan to continue the new tradition and serve as many Members as they can. This cannot be done without volunteers, so if you or someone in your circle have free time, please reach out to Juvien, (951)653-5152, and let him know your willing to help.

The Smokehouse & Chow Shack committee makes every attempt to make the trailer available for every event. If for some reason it's not available, please be understanding and don't pester Juvien with why your Station/Team is more important than another Station/Team, or demand the trailer because your Station/Team has never asked before and therefore are entitled to have the Trailer out to your event. The Smokehouse & Chow Shack operates on a first come, first served basis, taking in account its operating budget. If your Station or Team is planning something and would like to have the Smokehouse & Chow Shack respond, please reach out as soon as possible.

On December 16, 2020, we got to take the Smokehouse & Chow Shack out to Aviation and support the arrival of our new Department helicopter. If you have not seen a picture of the new helicopter, it's worth making arrangements with our Aviation Unit to go see it. We are now one of three Departments in the Country to have this type of helicopter. The new helicopter will provide better rescue capabilities and better serve the Department operational needs.

I hope my next message brings you news that the 84-Hour pay period has started. I know it's the plan of the Department to implement the 84-Hour pay period as soon as possible.

Lastly, the holiday season can be an extremely tough time mentally for our Members. I ask everyone to keep an eye on their partners and help ensure mental support. If anyone sees anything and thinks someone could use someone to talk to or any other help, please don't hesitate to reach out and let the RSA help.

As always, stay safe out there and help ensure your partners go home safe. I thank you for allowing me and my fellow RSA Board members to represent you, and I wish you happy holidays. ★

I ask everyone to keep an eye on their partners and help ensure mental support. If anyone sees anything and thinks someone could use someone to talk to or any other help, please don't hesitate to reach out and let the RSA help.

GETTING INTO THE

HOLIDAY Spirit

This year things are quite different, but the Riverside County Sheriff's Department is still in the Holiday Spirit! Social distancing has caused events to be done a little different this year, but RSO is making the best of it and is still out bringing Holiday cheer to the communities it serves. While following guidelines, RSO deputies and personnel have been able to host toy drives and other events to bring Holiday cheer throughout Riverside County.

Thank you to all RSO staff for your commitment and dedication to serving and protecting the residents of Riverside County. Wishing you all Happy Holidays and a Happy New Year. ★

Where Has The Trailer Been ...

RSA'S ROLLIN' SMOKEHOUSE

The RSA Rollin' Smokehouse has been busy this holiday season! So far the Rollin' Smokehouse has served lunch to over 300 people in the month of December!

On December 9th the RSA Rollin' Smokehouse served lunch at the MCB/SIB campus in Riverside to over 150 people. We enjoy being able to go out and bring the delicious food cooked up in the Smokehouse to our members throughout the County. It was also their employee holiday luncheon, so we had a special holiday menu for them featuring Oak Smoked Prime Rib, Roasted Turkey, and Chorizo Stuffing along with sides.

Then, on December 16th we served lunch at the Hemet-Ryan Airport where

the Sheriff's Department took delivery of their newest state of the art helicopter an Airbus H145, called the "Rescue 9." The aviation unit along with Sheriff Bianco, department administration personnel, Board of Supervisors and other dignitaries were there to see the delivery of "Rescue 9." It was a very exciting day!

Sheriff Bianco stated the following: "This state-of-the-art Airbus H145 will serve our deputies, our communities, and our search and rescue teams as well."

RSA was happy to have The Smokehouse on hand at the Hemet-Ryan

Airport on such a thrilling day to serve a wonderful Santa Maria tri tip lunch.

The RSA Rollin' Smokehouse doesn't stop so on December 18th we took the smoke to Lake Elsinore for a station visit as a Member Appreciation luncheon, where we fed over 100 people. We also celebrated a retirement for one of the Sergeants at the station. On the menu was a special island style menu.

We hope that our members enjoy the RSA Rollin' Smokehouse food as much as we enjoy making it and serving them. Coming to a station near you soon! Happy Holidays! ★

Rescue 9 Is Ready To Fly

On December 16 the Riverside Sheriff's Department welcomed its newest recruit, an Airbus H145 helicopter named "Rescue 9".

According to Deputy/Pilot Chad Marlatt, "The twin-engine helicopter is a much needed game changer for our County." Deputy Marlatt has been in the Department's Aviation Unit for fifteen years, and has been a pilot for the last twelve.

The new unit carries a crew of two and up to eight passengers. It's primary role will be search and rescue missions. Marlatt said Rescue 9 can be reconfigured for VIP transport, SWAT deployment, disaster relief, and a multitude of other missions as needed.

"The aircraft has an amazing amount of technology," he said. This includes autopilot with a backup autopilot and a Stability Augmentation System that allows for Instrument Flight Rules flying.

"So, basically, if the weather is below FAA minimum to fly Visual Flight Rules, we can file a flight plan to fly from our base to another airport. Once above the clouds, we can cancel that flight plan and go do our rescue where the conditions are clear. Typically this would be for a rescue on Mt. San Jacinto which is the highest peak in our County at 10,834'," Marlatt said.

Rescue 9 is a new addition to the Department's fleet of five helicopters. While those are primarily used for patrol support, the new helicopter has a considerable amount more power and high altitude capability that allows the insertion of greater numbers of search team members into the field.

"We will also be able to hoist rescuers and victims out and spend less time making multiple trips since we'll have more capacity," Marlatt said.

The addition of Rescue 9 would not have been possible without Sheriff Bianco personally getting himself up to speed on the needs of the Aviation Unit, Marlatt said. "He championed that cause with the Board of Supervisors, who supported the Department in getting this much needed piece of technology that will serve our County's, as well as other Counties', citizens for decades to come." ★

Calling All RSA Members, Retirees, And Friends Of The RSA Membership

The new and recently dispatched RSA Rollin' Smokehouse is looking for volunteers to help "Serve those who serve" at events to help feed our members and communities.

The Rollin' Smokehouse is dependent on volunteers as it is not staffed with paid employees. Therefore, we are creating a volunteer list for those who want to help before events for prep and during the actual events serving or cooking.

Members, spouses of members, dependents of members over 16 years of age, retirees, and friends of the membership are all welcome to help and volunteer. Culinary experience is always a plus, but not necessary as we will train you to be a culinary apprentice.

This is an excellent opportunity to give back to the membership and community and also gain valuable culinary training.

Covid-19 Vaccine Is Now Available, But Not Enough For Everyone Roadmap For Distribution Is Needed

By **Scott A. O'Mara**
Law Offices Of Scott A. O'Mara

Three companies - BioNTech SEC; Moderna, Inc.; and Pfizer, Inc. - are major providers of medication and are in a position to be a primary source of vaccine for the COVID-19 medical disaster. Studies indicate the product of BioNTech and Pfizer is 94% effective, and they each have prepared approximately 25 million doses, while Moderna has about 20 million doses available. The challenge which exists is the creation of a roadmap regarding the distribution of these vaccines, which hopefully will put a halt to the ongoing worldwide COVID-19 epidemic, particularly in the United States.

As readers are aware, specific legislation - Senate Bill 1159 and Assembly Bill 685, which were signed by the Governor on September 17, 2020 - enumerated the unique exposures for the segments of our population whose role is to provide health and safety for all Americans. Particular emphasis has been placed on the recognition of the unique exposures and the imminent hazard faced by medical providers and first responders, and a rebuttable presumption of industrial injury has been created for these workers, including such groups as police officers, firemen, deputy sheriffs, California Highway Patrol officers, correctional officers, etc., such that COVID-19 infections involving these workers are presumed to be work-related in many situations, depending upon the nature and extent of the infected employee's work assignment.

This is an important factor to keep in mind, because we need to recognize at the

onset that the vaccination supply is limited, and thought must therefore be given as to who should be its initial recipients.

Great consideration must be given to the fact that health care workers and first responders are a positive element relative to the strength of our society, and if these people are not protected, there will be further deterioration, not just because of the COVID-19 epidemic, but also from the reduced protection society will receive from a smaller number of available health care workers and first responders.

The Governor has the power to make determinations regarding the potential distribution of the vaccine. In making those determinations, it is essential for him to recognize and appreciate the continuing high level of exposure which health care workers and first responders have, and their absolute need for protection. Without such protection, tremendous ancillary problems could result

if these valuable and vulnerable people are removed from their work situation because of a COVID-19 positive finding.

The passage of Senate Bill 1159 and Assembly Bill 685 in September 2020 reflects the recognition of the exposures faced by medical personnel and first responders. This legislation provides a roadmap which can be used as a template for other groups with special needs who are at risk, such as the elderly, especially people in care facilities. It is important for society not to ignore these groups as well.

An ancillary issue which will come up is the fact that use of the vaccine should not be mandated. Instead, it should be made available to individuals who are aware of the uniqueness of their work and their need for protection - people who will embrace the vaccine not just for their own protection, but for the protection of society as a whole. ★

The Riverside Sheriffs' Association is the Exclusive Employee Organization representing our members employed by the Riverside County Sheriff's Department. The Riverside County Sheriff's Department is one of the largest Sheriff's Departments in California.
