Former Corona Police Chief Michael Abel Selected As New RSA Executive Director

By Bill Young
RSA President

On behalf of the Board of Directors, I am delighted to announce that former Corona Police Chief, Michael Abel, has been selected by the RSA Board to become the new Executive Director of the Riverside Sheriffs' Association.

Mike has a long and distinguished career in law enforcement, first entering the profession with Corona PD in 1987. He steadily advanced through the ranks before becoming Police Chief in 2011, serving in that position until his retirement in December, 2017. Under his leadership, the Police Department experienced a growth in personnel and new assignments, a reduction in personnel investigations, and the implementation of numerous new programs, as well as several major projects, including the department's first ever "Strategic Plan" and a "Success and Succession Plan."

In addition to being Police Chief, Mike also served as Assistant City Manager from 2015-2017. Importantly, in his role as a Chief, and as an Assistant City Manager, he made it a priority to establish collaborative, trusted relationships with the leaders of the different unions representing city employees. During his career, Mike earned his Masters' Degree in Public Administration from CSUSB and is a graduate of the FBINA. Mike has also been an instructor with our Academy for the last 23 years,

"The Board's unanimous decision to select Michael Abel to become Executive Director is a positive, productive step forward for the future of RSA, and we ask that you to welcome Mike into our RSA family."

and is still doing so as a mentor to our future law enforcement officers.

The RSA Executive Director position is essential, as that person manages the day to day operations, staff, vendors, offices, and facilities. The Executive Director also acts as an advisor to the RSA President and Board of Directors on matters pertaining to collective bargaining, and also readily assists all of our members in their employment relationship with the County of Riverside and Sheriff's Department. Importantly, Mike will be able to assist the RSA Board as we interact and build partnerships with elected county officials and with various department heads.

With the help of a professional staffing firm, the RSA Interview Committee reviewed 10 applicants for the Executive Director position, and interviewed four of those candidates before recommending two finalists to the Board of Directors.

FORMER CORONA POLICE CHIEF MIKE ABEL:
RSA's new Executive Director.

The Board's unanimous decision to select Michael Abel to become Executive Director is a positive, productive step forward for the future of RSA, and we ask that you to welcome Mike into our RSA family. ★

THE RSA

Supports CHAD BIANCO For Sheriff

The RSA Political Action Committee and the RSA Board of Directors voted overwhelmingly to endorse and support Lt. Chad Bianco for Riverside County Sheriff.

Our current sheriff is destroying the morale of the department. He wastes public dollars on needless expenses and fails to protect the public from the dangerous and violent criminals who prey upon the taxpayers and residents of Riverside County.

With the 2018 elections fast approaching, we all have an opportunity to make a desperately needed change in leadership.

We are not alone in our desire to support a new candidate for sheriff. The residents of Riverside County expect their

sheriff's first priority to be public safety – not politics. The current sheriff has failed in his duties and failed all of those who supported him in the past.

Similarly, The Riverside County Board of Supervisors has tried to work with the sheriff to protect our residents. Sadly, our current sheriff is more concerned with bad-mouthing, back-stabbing and picking fights with everyone when he should be working together to address the numerous problems facing our department and county. As a result, numerous of the county supervisors have made it clear that they will not support Stan Sniff for re-election.

Now is the time to rally around Lt. Chad Bianco, the only candidate with the experience, dedication and temperament to effectively lead our department.

The RSA Board of Directors has voted to provide financial assistance to Lt. Bianco's campaign. Additionally, the Board of Directors have recommended that all members who wish to support Lt. Bianco with an individual contribution to his campaign do so in an amount not to exceed \$99.00.

We have heard from some members with concerns about retaliation from the current sheriff if they are found to be contributors to any challenger. Fortunately, by remaining under the \$100 threshold, no disclosure of your name, address or occupation will be made public.

Interested individuals may send their (up to) \$99.00 checks to:

Supporters of Chad Bianco for Sheriff, id #1397860, 17130 Van Buren Blvd., #203, Riverside, CA 92504

Please urge your family members, friends and neighbors to support and contribute to Lt. Bianco to protect and improve the safety of all in Riverside County.

When Deputy Sheriff Jason McMillan was shot at the Route 91 Harvest Music Festival almost a year ago, he sustained injuries that paralyzed him from the waist down. Jason now relies on a wheelchair to get around, and needed a bigger vehicle to accommodate his wheelchair and his family. Jason's law enforcement family was happy to make this happen.

The Riverside Sheriffs' Association and the Riverside County Deputy Sheriff Relief Foundation were able to raise \$47,000.00 in a very short period of time. Very generous donations were received from the Riverside County Deputy Sheriff Relief Foundation (RCDSRF), the Association of Los Angeles Deputy Sheriffs (ALADS), San Bernardino Employee Association (SEBA), Orange County Deputy Sheriff Association (OCDSA), Iddo Benzeevi (owner of Highland Fairview), and a few anonymous private donors. Thanks to their generosity, Jason now has a brand-new vehicle with plenty of room for his family and his wheelchair.

On September 14, Jason, along with his fiancé Ella and one of his two daughters, four-year-old Kennedy, met with RSA President Bill Young and Vice President Ian Anderson at the RSA headquarters to receive the donation of a 2018 Ford Explorer Sport Edition. The SUV was paid in full on that same day.

CrossFit Challenge To Help An Officer In Need

On Wednesday, September 26, Members of the Riverside Sheriff's Department's Emergency Service Team/SWAT formed into two teams of five and competed in a CrossFit Challenge hosted by the Los Angeles Police Department, Special Weapons and Tactics Division.

CROSSFIT CHALLENGE FOR OFFICER JOHN KENT: Standing from left to right: Sgt. Mike Walsh, Dep. Geoff Likins, Dep. Jason Newstrom, Dep. Jerrod Van Zanten, Dep. Chris Brown, Cpl. Shawn Hubacheck, Dep. Brett Van Herpe, and Dep. Josh Mead. Kneeling left to right: Dep. Walter Segura and his wife Tori Segura.

The CrossFit Challenge was used as a fundraiser for recently retired SWAT Officer John Kent. Just after retiring, Officer Kent was diagnosed with Stage 4 cancer and is receiving treatment at City of Hope Hospital. The money raised will go directly to Officer Kent and his family to assist with medical bills and the family's personal needs during their difficult time.

The RSA sponsored both Teams so our EST members could help support one of their LAPD brother's in his time of need. The RSA Board of Directors would like to thank EST members who attended this event and represented our Department and RSA with honor and pride.

Public Access To Your Disciplinary Records

The Impact Of Senate Bill 1421

By Robert Rabe, Esq.
Stone, Busailah, LLP

With the signing of Senate Bill 1421 by Governor Brown, California will join almost every other state and allow, on a limited basis, public access to public safety officer disciplinary records. Effective January 1, 2019, SB 1421 will allow members of the public, (which includes the press), to obtain certain law enforcement agency personnel records that were previously available only through the Pitchess procedure, (if at all), by making a request under the California Public Records Act ("CPRA"). The new law will apply to both "peace officer" and "custodial officer" members of the RSA.

With this change in the law, a deluge of CPRA requests is anticipated after the new year. All RSA members should be informed about this new law, so they will not be surprised if records relating to an incident that they were involved in are released.

SB 1421 amends Penal Code § 832.7 to require disclosure of records and information relating to the following types of incidents in response to a request under the CPRA:

- Records relating to an incident in which a sustained finding was made by any law enforcement agency that a peace officer or custodial officer engaged in sexual assault involving a member of the public. "Sexual assault" is defined for the purposes of §832.7 as the commission or

// With this change in the law, a deluge of CPRA requests is anticipated after the new year. //

attempted initiation of a sexual act with a member of the public by means of force, threat, coercion, extortion, or offer of leniency or any other official favor, or under the color of authority. The "propositioning for or commission of any sexual

act while on duty is considered a sexual assault" - even if the sexual act was found to be consensual.

- Records relating to an incident in which a sustained finding of dishonesty by a peace officer or custodial officer directly relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of or investigation of misconduct by another peace officer or custodial officer, including, but not limited to, any sustained finding of perjury, false statements, filing false reports, destruction of evidence or falsifying or concealing of evidence.
- Records relating to the report, investigation, or findings of an incident involving the discharge of a firearm at a person by a peace officer or custodial officer. Records relating to the report, investigation or findings of an incident in which the use of force by a peace officer or custodial officer against a person results in death or great bodily injury. [Note: The disclosure of such records may occur even if there is no sustained finding of misconduct by any peace officer or custodial officer.]

The records disclosed pursuant to SB 1421 will be redacted only to remove personal data or information, such as a home address, telephone number, or identities of family members, to preserve the anonymity of complainants and witnesses, or to protect confidential medical, financial, or other information in which disclosure would cause an unwarranted invasion of personal privacy, or where there is a specific, particularized reason to believe that disclosure would pose a significant danger to the physical safety of the peace officer, custodial officer, or others.

Legislative Update

In the just-completed 2017-2018 session in Sacramento, here is legislation by the numbers:

Ryan Sherman
Government Affairs
Consultant

- 5,617 - the total number of bills introduced by the state legislature;
- 1,217 - bills approved by the legislature and sent to the governor;
- 1,016 - bills signed by the governor
- 201 - bills vetoed by the governor (h/t = Chris Micheli)

The close of this legislative session saw our governor sign a remarkable 83.5% of the bills he received. Also coming to a close is the unprecedented 16 years that Gov. Jerry Brown served as the chief executive of our state.

The governor is frequently referred to as "the only adult in the room" in the Capitol building filled with ideological and territorial lawmakers seeking to make their mark in Sacramento. However, the governor spent a large part of his final four years in office rolling back criminal sentences and advocating for laws designed to release tens of thousands of inmates from state prisons and county jails.

When it comes to criminal justice policy, Gov. Brown sought to undo the legacy he left after the conclusion of his first two terms - the establishment of determinate sentencing. In his later years, the governor frequently bemoaned the shifting of our state sentencing guidelines from indeterminate (5-25 years) to determinate (2 or 3 or 4 years) sentences.

This year, he once again played a key role in securing votes from legislators who were not very keen on implementing his vision for the state.

However, as the gavel came down to mark the an end to the session, it was

apparent that the governor was extremely successful in reversing many of the strong pro-public safety laws that had kept violent and dangerous felons off of California streets.

The bills below were among the key bills the RSA lobbied on. As you can see, many of the bills we opposed were enacted, while some that we supported were also enacted.

With a new governor taking office in 2019, your RSA leaders have already begun to coordinate with the other major public safety groups in the state to develop a detailed strategy to protect your safety, benefits and families.

As stated, here are some of the highlights:

WORKER PROTECTIONS

AB 1749 (Daly) provides workers' comp coverage for public safety personnel in cases where the injury occurs out-of-state. The bill is in response to the aftermath of the Mandalay Bay, Las Vegas shooting in October 2017 where officers and deputies were injured as they performed first responder duties.

SB 1086 (Atkins) removes the "sunset" provisions (makes permanent) existing law that provides an extended statute of limitations for workers' compensation death benefits payable to the survivors of public safety officers who die as a result of work-related cancer or other specified diseases.

HUMAN TRAFFICKING

AB 2992 (Daly) requires POST to develop and implement a course on victims of human trafficking.

SB 1104 (Roth) requires school districts and charter schools to work with their schools serving students grades 6-12 to identify methods of informing parents of human trafficking prevention

resources and requires schools to implement those methods.

AB 1735 (Cunningham) requires a court to consider issuing a protective order in all cases in which a defendant has been convicted of human trafficking, pimping or pandering.

SB 970 (Atkins) requires hotels and motels to provide human trafficking education to employees who interact with the public.

RELEASED INMATE ACCOUNTABILITY

AB 2080 (Cervantes) requires that detention facilities to report both inmate admissions and releases to the state DOJ within 30 days.

SEX OFFENDERS

AB 1994 (Cervantes) requires custodial facilities to forward any change of address for a released sex offender to state DOJ within 15 days.

AB 1746 (Cervantes) procedural improvements for prosecutions of certain sex crimes.

CRIMINAL PENALTIES

SB 1393 (Mitchell) eliminates the mandatory 5-year sentence enhancement for felons previously convicted for serious / violent felonies. It does, however, allow a judge to impose the five year enhancement if appropriate.

AB 1065 (Jones-Sawyer) creates a new "organized retail theft" punishable as either a felony or misdemeanor.

SB 1437 (Skinner) eliminates the legal theory of criminal liability as applied to an accomplice to the underlying felony. Allows anyone currently serving time under such a theory to petition a court to dismiss the first or second degree murder conviction and seek release for time served for the other felony.

AB 3112 (Grayson) requires large containers of butane to have an odorizer included to restrict the availability of large butane purchases used in the manufactur-

ing of marijuana honey oil. Creates a criminal infraction and fine for violations.

**LAW ENFORCEMENT
TRANSPARENCY**

SB 1421 (Skinner) allows for the public release of records related to reports, investigations or findings involving the discharge of a firearm or electronic control weapons by an officer. Similar records will also become public related to incidents involving strikes of impact weapons or projectiles to the head or neck area and also for incidents of deadly force or serious bodily injury by an officer. Records relating to incidents of sustained sexual assault by an officer and incidents relating to sustained findings of dishonesty by a peace officer will also become available to the public.

AB 748 (Ting) As of July 1, 2019, video and audio recordings depicting critical incidents of either a peace officer's discharge of a firearm or use of force by a peace officer that results in death or great bodily injury shall be made available

to the public after completion of the investigation of the critical incident.

SB 978 (Bradford) requires POST and local law enforcement agencies to post all current standards, policies, practices, operating procedures and education and training materials that would otherwise be available to the public via a public records request.

AB 2327 (Quirk) requires a law enforcement officer seeking employment to give written consent to the hiring law enforcement agency to view the officer's personnel and any separate disciplinary file. Requires each law enforcement agency to make a record of any investigations of misconduct in the officer's personnel or disciplinary file.

LAW ENFORCEMENT TRAINING

AB 2504 (Low) requires POST to develop and implement a training course regarding sexual orientation and gender identity minority groups.

AB 2992 (Daly) requires POST to develop and implement a course on victims of human trafficking

JUVENILE CRIMINALS

AB 1214 (Stone) establishes new procedures for determining the competency of juveniles, on-going evaluations, and the delivery of effective remediation services.

AB 2952 (Stone) allows a prosecutor to access, inspect or use certain sealed juvenile records if the prosecutor believes the records may contain exculpatory evidence.

SB 439 (Mitchell) no juvenile offender under 12, regardless of the crimes committed, can be subject to the jurisdiction of a juvenile court. Instead, these troubled kids will be returned to their families.

SB 1391 (Lara) prohibits a prosecutor from making a motion in court to transfer a minor from juvenile court to adult criminal if the minor was 14-15 when the alleged offenses were committed. Late amendments allowed the prosecutor to make such motions in cases where the minor is alleged to have committed certain serious offenses.

SB 1281 (Stern) prohibits the destruction of certain juvenile criminal records that have resulted in the offender being subject to a firearm restriction. ★

ROMANCE VS. PRACTICALITY

By **Harley Broviak**
Chaplain

“Where did I go wrong, Chaplain? It was all so good. I had everything! I was so happy. Every day was a joy. I felt thrilled at how well my life was running. We had a baby, Arnette, within the first two years. She was a sparkling child. A good sleeper and lots of vitality, oodles of fun. Our folks on each side just fell in love with Arnette. I was so proud of our house! Ray, my lieutenant-husband, was so successful! I could buy just about everything. I was like a kid in the candy store of life!”

Ray's mom and dad were church goers and they wanted us to join them. I agreed and Ray ignored them. He was “too busy” to go to church. My mom and dad urged us to go also, and Ray got into a fit about it and complained. “The mother-in-law principal, bah!” I was hurt and insulted. I retreated and sulked. He came home and said “Jillian, lets go out to dinner!” I was poochy and said, “I'm too busy and besides, dinner is ready now!” He went to the garage to work on a wooden toy for our baby. His dinner got cold and I went to bed and locked the bedroom door. Quite a different evening than ever before. Ray slept in another bedroom. He got up early and left without saying “goodbye”, or hugs and kisses as usual.

This attitude caused the union to plunge into the abyss of anger and indifference. They did not call each other that day and for several days after. Jillian's mom and dad called about Sunday brunch after church. Ray handed the phone to Jillian

and walked out of the room without a word. Jillian went into the workshop and confronted Ray. “What's the matter with you? You're acting like an idiot! How dare you treat my mother and father with your crappy attitude!” That was like pouring gasoline onto a fire. The battle of words lasted until yelling became face-to-face! Loud and angry! Her accusation of brutality and insidious unfairness was met by an explosive retort yelled at the top of his voice. “Don't expect me to take any more of your ice box attitude and insane gravel. You are so greedy and selfish, you

received love and affection!” I pretended to love him! But didn't really have true love! Just the pretense. I guess I just got tired of the pretense. I stopped being a phony. I know that this was the end of our marriage. No, that isn't honest. I never was really married. I adopted a banker. I adopted a producer. Little by little, I grew tired of my pretense. I had him! He was my prisoner and there was nothing else I needed. If he didn't like it, he could get a divorce. You know, just end it?”

Then his dad died. He was devastated. He'd look at me and I'd just walk away.

“ A house without a good foundation will eventually fall. You had an ‘imitation foundation’ and it crumbled. ”

never show any gratitude, affection or appreciation! I feel like an “untouchable”! You ignore me constantly. I'm your damn banker and prisoner. You milk me like a cow every day. You don't unbend for anything anymore. You overwhelm Arnette, you ignore me. When was the last time you said thanks or said, ‘I'm proud of you for what you do for me and Arnette!’”

I admit that everything he said, I came back at him double. I couldn't have been more vicious and mean. Afterwards I thought, where did all that poison come from? It was in me! Padre, why did I do that? He's been so wonderful all of our lives. How could I say what I did? I am so ashamed. He's always been so mellow. What's wrong with me? I offered the word “guilt”? “Why guilt?” Because you said “I

Before his father's funeral, my mom passed away. She just fell asleep and she was gone. All this tragedy over such a short period of time crushed me. I was at my wits end. I questioned everything and GOD. You're right, I have overwhelming guilt. I was living a lie for so long. I was greedy, I was selfish and I deceived a man who at one time would have died for me! I became suicidal. I took more pills and therapy. Nothing worked. I was disgusted with me. I felt worthless and questioned why I had been so conniving.

“GOD, I prayed, how can I go on? I wasn't raised this way!” Death was my thought for my 10 years of deception and dishonor. Ray deserved so much better. I cried, I anguished. I thought of all the ways to end it all! They all would steal

from Ray and Arnette, compounding my dishonor. I finally thought about a plan to die. I started thinking about how it could look accidental. I talked to one of my girlfriends about her attempt. She had super planned it. No hitches. No mistakes. It was the perfect plan. ZAPP! And it would be all over!

I went to a "gals night out". All the disgusted and disgruntled wives were there. "I went to the ladies' room and stood looking in the mirror. I started to cry. Sobs came out, then a torrent of tears. I felt bitter, alone and worthless. I bent over the wash bowl and then a hand touched my shoulder. A girlfriend named 'Dinty' (Dinota) said 'Why are you hurting, girl?' I blurted out my story. Dinty hugged me and a cascade of tears wetted her shoulder. She told me she had a similar experience and felt the same way. I said, 'What did you do to get help?' She said 'There's this Chaplain who helped me!' I said, 'Oh GOD, not some stupid preacher. They all act like they know it all! I go to church and I believe in GOD, but, give me a break, I can't go for that!' 'Ok kid', she said, 'But if you change your mind? Best description of him? He's a friend of God! Splash some water on your face before you come out. You won't look so teary-eyed. And ya call me if you change your mind, okay?' 'You're a pal

Dinty. Don't tell the others, please!' She gave me a thumbs up."

Later: "That's why I'm here Chaplain. Watta I do?" "First, Jillian, a house without a good foundation will eventually fall. You had an 'imitation foundation' and it crumbled. You built the house of your marriage on it and now the house is coming down around your ears. If we are to recover from your long-term deception, you will have to start a 'new foundation'. It isn't going to be easy. You either have love for Ray or you don't. If your present feelings are just from guilt, it's over. If they are from a spiritual awakening, you have a chance. Which one is it?"

"When you first started with Ray, you started with courting him. When you have reestablished trust with him; and it could take a while you know! You build it like a wall, one brick at a time. Don't expect an immediate positive reaction. Ray has lived with your deception for almost a decade. You have to earn your way back. Confession is a way of restoration. But don't be too specific. Apologies, love, care, concern, genuinely stated or lived daily is the key."

"Is it too late?" "Jillian, I don't know. Do you suspect he has another interest?" She said "No, he's not a wanderer. But he is fragile. I have for too long denied him more and more. Do I change overnight?"

"No Jillian, you don't do that. What you do is put your hands in the hands of the MAN from Galilee, pray for forgiveness and grace and change yourself with GOD's help. Shakespeare said 'Assume a virtue if you have it not!' Let GOD into your heart with HIS forgiveness for your long-time deception. Let HIM give you a restoration of true love and affection. Let HIM guard, guide and prepare you for a new life and a new love created ON a new foundation for the 'house of your lives together!'"

Jillian worked hard at restoration with Ray and it hasn't been smooth, but counseling each of them individually and together had slowly brought a light into a failed relationship. Ray's feelings were deep loneliness and unexplainable doubts as to why she slowly withdrew from him. Jillian had developed an arrogance and an "entitlement" attitude. As she said, he was my "prisoner and my banker"! They are not well yet, but they are on the path to recovery, augmented by a recommitment to GOD and each other! When GOD enters the mix! Everything changes! If you have a problem like this, correct it starting now!

Our United Voice Is Strong

By Bill Young
RSA President

To accomplish the Riverside Sheriff's Association (RSA) goal of working to ensure we improve the working conditions of our members, it is necessary at times that the RSA get involved in the political process. This is especially true since we cannot strike and withhold our service as a method of voicing our opposition or viewpoint. Thus, with endorsements, personal involvement, and financial expenditures, we can make our voice heard.

The recent election for Sheriff is an example of how our united voice can

be used for positive change and better working conditions. It was not a "rogue" Executive Board of RSA that decided to endorse Sheriff-Elect Chad Bianco, but instead, reflected the viewpoint of a majority of RSA members. From our Membership, it was clear, that change in leadership of the Department was needed.

It was decisive that the voters respected Sheriff-Elect Bianco's integrity and shared his vision for a safer Riverside County. The public understood that Riverside Sheriffs are dealing with historically low morale, a sense the department was mismanaged at every level, suffered from a lack of progressive thinking, and had trouble recruiting or retaining deputies headed for early retirement or greener pastures at other agencies.

The numbers fully show that not only RSA, but the voting public as a whole, were ready for positive change in the leadership of the Riverside County Sheriff's Department. Sheriff-Elect Bianco won by 12 points and captured with 56.4 percent of the vote winning by 43,535 votes (as of November 13, 2018).

On behalf of the Membership of the Riverside Sheriffs' Association, I would like to congratulate Sheriff-Elect Chad Bianco for being elected the 14th Sheriff of Riverside County. I thank all members involved, as well as our surrounding Associations, for their support in all of the important political races and measures, especially the Sheriff race.

EXECUTIVE DIRECTOR'S CORNER

It Is An Honor To Be Here

By Michael Abel
RSA Executive Director

Hello. It is a great honor and privilege to be welcomed into the RSA family. As I'm sure some of you are already aware, prior to my retirement I previously served the fine men and women of the Corona Police Department and the Corona Community as a whole. When I learned of the opportunity to compete for the position of Executive

Director for RSA, I whole-heartedly pursued the possibility to once again serve in Riverside County and specifically with RSA.

My commitment and promise to all of our members will be the same diligent, servant-lead leadership practices I've incorporated into my personal and professional life for the past 30-plus years. I'm truly excited about the future and very optimistic as to the many great things that lie ahead.

On behalf of my family and myself, thank you all for your courageous, selfless service that you provide each and every day. I look forward to getting to know all of you.

Warmly and respectfully, Michael. ★

Sheriff Sniff is a good person and a professional peace officer and should be thanked for his years of service. He recognized that the voters had a different vision for the Department when he told the Sun newspaper, "The public has spoken and decided upon a change in direction. It has been an absolute honor to serve our public as Riverside County's 13th Sheriff over these past 11 years and the period has been the highlight of my four-plus decade of public service."

Sheriff-Elect Bianco has been a tireless advocate for our deputies, especially during moments in the department's history when it was necessary to speak the truth to those in power. His track record demonstrated an ability to initiate reform while staying acutely connected to our needs and experiences. His impressive campaign has already shown how he can raise morale, inspire and represent everyone in the department.

RSA POLITICAL STRENGTH

The importance of the RSA political voice is not just confined to elected races where the public votes. The most recent example is our successful effort to place a new representative on the CALPERS Board. With the help of the RSA and others, Corona Police Sergeant Jason Perez defeated a 15-year incumbent with the message that your financial interests, not social issues, should be guiding CALPERS investment decisions.

For a democracy to succeed, it is vital that residents and those who have a stake in government take an active interest in their government – including the office of Sheriff. Informing and motivating citizens to vote is essential to a healthy community and a responsive government, and that is one reason why the RSA was so deeply involved in so many local races, including the race for Sheriff.

The RSA political strength, demonstrated through our Public Education Fund in supporting several campaigns, is only possible because of the financial support of our members. I would like to thank the membership for making finan-

cial contributions and helping by letting your friends, families, and neighbors know which candidates that RSA endorsed.

When important matters are pending at the local and state levels, we continue to bring the issues to the attention of our membership. We will continue to support elected officials who have a philosophy consistent with the interests of law enforcement. As the great philosopher Plato said, "One of the penalties for refusing to participate in politics is that you end up being governed by your inferiors." Consider some of the terrible legislation regarding pension "reform" and privacy issues for law enforcement that might have passed absent our involvement in recent years. We think you'll agree that it's extremely important for us to be active participants in the political arena.

The RSA today is stronger and more focused than it has been in years. The path we set for ourselves when we began growing the Public Education Fund is yielding real results. As always, stay safe out there and ensure you and your partners go home safe. ★

20TH ANNUAL COPS 4 KIDS TOYS FLY-IN AT LOMA LINDA UNIVERSITY CHILDREN'S HOSPITAL

Article and Photos By Chase Leland
APB Contributor

It was the perfect Fall day on October 16th for the 20th Annual Cops for Kids Toy Fly-in that took place at Loma Linda University Children's Hospital. This great event started 20 years ago and was begun by Riverside Police Department Air Support Don Miskulin who retired from the RPD in 2013.

It was inspiring seeing the number of law enforcement personnel that dedicated their time to deliver toys to the children in need. At least 150 Officers attended from many departments, including River-

side Sheriff's Dept., El Monte, Ontario, Fontana, Riverside PD, San Bernardino PD and Sheriffs Dept., California Highway Patrol, Temecula, and Moreno Valley. This event was emotional, and you can

tell it's one of the greatest parts of their job to be able to hand out toys to the kids and put a smile on their faces.

The Fly-in started at San Bernardino International Airport with the officers

and pilots reporting for a quick breakfast and a de-briefing of the day ahead. After breakfast the men and women officers got in line to start the motorcade with the departments' motorcycle units ready to lead the way and take care of traffic.

The motorcade of about 100 police and S.W.A.T vehicles eventually made it to Loma Linda's Children's Hospital with the five Police Air Units landing on the North lawn.

Once there, officers were greeted by many of the children and their parents to say thank you for the toys and support. During the visit, parents and children could view, sit in, and play with the radios and sirens of the patrol vehicles and the helicopters.

“ There were over 400 toys handed out that day and it was great to see all the smiles, not just from the children but from the officers and hospital staff as well. ”

After a quick welcome from the CEO of Loma Linda Children's Hospital, the officers took off in groups to select toys for a child and distribute them to the awaiting boys and girls, spending time and visiting with each child and their parents.

There were over 400 toys handed out that day and it was great to see all the smiles, not just from the children but from the officers and hospital staff as well. RSA was proud to be one of the sponsors of this remarkable event.

After the visits, all the officers headed back to the airport with the air support crews for a luncheon and professional development. ★

24TH ANNUAL SHERIFF'S PICNIC

OCTOBER 6

Sponsored By The RSA And The RCDSRF, The Picnic Also Featured The Benefit Trust Health Fair

Article and Photos by Chase Leland
APB Contributor

The 24th Annual Sheriff's Picnic was another great exhibition of how the men and women of the Riverside Sheriff's Department show their dedication and support for Riverside County communities. It was a cool, perfect, over-cast day that made it enjoyable for RSO members and their families as they got to experience good food, dancing, and demonstrations from the Riverside Dive teams and K-9 units.

The Sheriff's Picnic took place at Diamond Valley Lake in Hemet on October 6 and had over ninety-nine participating

CHAD BIANCO WITH RSA PRESIDENT BILL YOUNG.

sponsors who graciously gave their donations or time to help the professionals of the Riverside Sheriff's Department, who dedicate their lives to protect and serve their communities.

RSA's Benefit Trust operated a Health Fair, offering health and wellness screenings. Housed under a huge tented area, the Fair also provided free massages, blood pressure, grip strength testing, and cholesterol screening, and flu shots. Benefit coordinators were there to help members and to answer any benefit related questions on the spot.

The picnic was sponsored by the RSA and the Riverside County Deputy Sheriff Relief Foundation.

The RSA would like to recognize and thank these special teams and units for their participation at the annual picnic: the Sheriff's Administration, Aviation, Coroner's Bureau, Dive Team, Explorers, K-9 Teams, Pistol Team, Hazardous Device Team, the Posse, ROVE, SERT, SWAT, Search & Rescue, and all the volunteers.

Highlights of the picnic included music from Phoenix Patriot Band, a dance demonstration by Puahi's Polynesian Dance Co., The Family Fun Zone sponsored by Stater Bros., carnival games, a petting zoo, face painting, jumbo slides, rock climbing wall, car and motorcycle show, and a fun toddler play zone.

There was great fun at the pumpkin patch, where kids got to pick out and decorate their very own pumpkin to put on display. The Sheriff's Dive Team also gave hands on dive demonstrations where participants were able to swim and learn to breathe using their apparatuses in an above ground pool. S.E.R.T, S.W.A.T., and R.O.V.E participated with touch and see galleries.

Ten teams participated this year in the annual Sheriff's softball tournament, and there was no shortage of talent. In the end, The Southwest Shooters and Indio Jail played in the championship and Southwest took the coveted softball trophy back to their station, unseating the reigning champs Indio Jail for the first time in their history. We will be in suspense until next year to see who the next champions will be. ★

The 83rd Riverside County Sheriff's Department Basic Correctional Deputy Training Academy Graduation

OCTOBER 25, 2018

Article and Photos By Chase Leland
APB Contributor

Faith...Honor...Integrity... This was the class motto chosen by the 83rd Basic Correctional Deputy Training Officers Academy. These cadets put in ten full weeks of basic training, as well as classroom instruction and homework, to achieve their badges and to begin to serve their Riverside County community.

The graduation took place at the Grove Community Church on October 25, with a total of 16 Riverside Deputy Sheriff graduates, along with four Police Officers from Anaheim, Corona, Moreno Valley, and Pomona Police Departments.

After the National Anthem, sung by Bruce Kydd, and the invocation by Themba Mzizi, Captain Matthew Aveling began the graduation ceremony with presentation of class with Sgt. Chuck Lemons, the Academy Coordinator.

Class President Corona Police Officer Sabrina Martin also spoke to the class of her appreciation of the hard work put in, and how the class bonded and took care of each other.

Before the official pinning of the badges, the class played a slideshow that

showed the tough training regime they endured to become correctional officers.

Some of the highlights of the evening included Sgt. Avery Coleman, a 20-year Riverside Sheriff's Dept. veteran, pinning the badge on his own son, Avery Coleman Jr., and welcoming him to the law enforcement family.

The final task to complete their training was to recite the impressive, inspirational Basic Correctional Deputy Training Officers Academy Code of Ethics.

Special awards were given to recruits who stood out in their class and made a difference. The awards and honorees were as follows:

The 23rd Annual Riverside County K-9 Trials

Article and Photos by Chase Leland
APB Contributor

The 23rd annual Riverside County K-9 Trials were held at Ingalls Park in Norco, November 2-3. Up to 38 officers and their K-9's competed this year, judged on trial scenarios including obedience, agility, narcotics, area search, building search, verbal out, strong out, muzzle, call off, recall, runaway engagement, passive engagement, negotiate obstacles, and pat down.

It was a beautiful day for the dogs and their handlers to get out and show what they could do. More than sixteen law enforcement agencies participated in the event, which supported the non-profit organization Riverside Sheriff's K-9 Association.

Participants this year included Ventura County Sheriff's Department, Oceanside Police Department, Riverside County Sheriff's Department, Palm Desert Police Department, Pomona Police Department, Oxnard Police Department, Murrieta Police Department, San Gabriel Police Department, Moreno Valley Police Department, Hemet Police Department, Jurupa Police Department, Temecula Police Department, San Jacinto Police Department, Orange County Sheriff's Department, and Perris Police Department.

The trials started on Friday with narcotics and evidence recovery events and continued to Saturday with the obedience track that included verbal commands that the K-9's were expected to follow exactly, which included a pair of "suspects" in bite suits testing the dog's obedience and ability to listen to their handler.

After the obedience track, the K-9's were taken over to the agility course which consisted of ten obstacles ranging from the Window Jump, The Tunnel, Teeter-Totter, and the infamous Wobble Board.

The Riverside Sheriff's K-9 Association began in 1983 with the leadership of Sheriff's Deputy Jeff Hurd, helping more than 40 K-9's over the years. They accept donations and sell merchandise year-round to raise funds to help the K-9's with housing and medical care after they retire from duty.

The average time for a police/sheriff's K-9 to work is between five and seven years. Training is extensive and

on-going throughout that time. The officer who serves as the K-9's handler usually starts from the very beginning of training so they develop a deep bond.

Once retired the dog will most likely stay with the officer who will provide for them for the rest of their lives, which is where this charity comes in to help with costs.

Belgian Malinois are the most popular K-9 chosen due to their agility and intelligent critical skills.

WENDY: An attendee to the trials gets a personal meet and great with Riverside Deputy Sheriff Robert Ochoa and his partner Wendy who he's had for four-and-a-half years. Wendy is a bloodhound who is trained in man-trailing and criminal scent location.

After all of the events were completed at the Trials there was a banquet and an awards presentation. In addition to the five awards per event, there was also a Judge's Choice Award and an Agitator's Award. The final award went to the overall Top Dog with the winner receiving a Mexico cruise vacation.

For more information, to donate, or to sign up for next year's trials visit [www. http://riversidesheriffk-9team.com](http://riversidesheriffk-9team.com). ★

There Is Much To Be Thankful For

By Bill Young
RSA President

The Thanksgiving, Christmas, and the New Year periods have always been a season I look forward to.

I enjoy being with family and friends, celebrating this special time of the year. I, for one, recognize how much I have to be thankful for, now and always. It only takes a minute of revisiting the devastation caused by the wildfires throughout our state and the struggle and suffering of those dealing with the aftermath to be reminded.

As members of the RSA/Law Enforcement Community we appreciate the season and enjoy the time with our family and friends, however, we know this to be one of the busiest and most dangerous times of the year. As the holidays approach we need to be even more vigilant,

so we can obtain our number one goal: going home safe and healthy!

As I look forward to this holiday season, I am keenly aware that many others find this same time very difficult. It reminds them of lost loved ones, financial difficulties, or the melancholy of lost opportunities. These very real hardships make it difficult to appreciate the joy, love, and celebration of our rich national bounty that these holidays represent.

Please be aware of those around you who might be facing a bleak holiday and take a moment to reach out to them. A kind word or an offer to help can make all the difference in the world. If someone needs professional help, the Riverside Sheriffs' Association Benefits Trust offers confidential assistance programs. To receive help, call (800)222-9691.

No matter how tough this Holiday Season gets for you, remember your partners and the RSA are here for you. Sometimes this can only be done if your partner and the RSA know something is wrong. Just remember, we are a family

and are here for each other. Help for your partners can also be done by donating to the Riverside County Deputy Sheriff Relief Foundation.

During this holiday season, I want to take a moment to recognize and thank the staff members of the RSA for helping make this a very good year for the RSA. I'd like to wish all RSA members happy holidays and a wonderful and safe new year for you and your families.

I know that I speak on behalf of the entire Board of Directors when I say that the RSA is proud of the contributions and sacrifices you make every day to ensure the safety of the communities all throughout Riverside County, and we look forward to continuing to work on your behalf in 2019 to ensure your rights and benefits are protected.

The RSA Staff and I would like to wish every Member and their families a very Merry Christmas and a happy New Year. May God bless all our members and their families and as always, stay safe out there and watch out for each other. ★

23rd Annual DCMF Charity Golf Tournament

Another perfect day for a golf tournament and to raise money for the Debbie Chisholm Memorial Foundation (DCMF)

Photos and Article by Chase Leland
APB Contributor

This marks the 23rd year that the Debbie Chisholm Memorial Foundation (DCMF) has put on a charity golf tournament and raffle event to raise money to help children in need in the Inland Empire. DCMF incorporated in July of 1994 and has since raised over \$1,500,000 through fundraising events and private donations. The Debbie Chisholm Memorial Foundation is dedicated to granting wishes to seriously ill children within the Inland Empire, making it Southern California's only law-enforcement based wish granting charity.

The Nov. 3 tournament held at the Morongo Golf Club in Tukwet Canyon hosted 60 participants from area law enforcement agencies who played and bought a ton of raffle tickets to win some great prizes, including NFL signed helmets, driver clubs, a ring alarm system, a 60" flat screen TV with surround sound and unique gift baskets.

DCMF raised more than \$10,000 which will be used during the Spirit of Christmas, a program where they deliver a complete Christmas to several families who have catastrophically ill children at home. They receive gifts for all family members along with food cards and a decorated tree if needed.

Trophies were handed out to 1st, 2nd, and 3rd place teams with the best scores. Other trophies included the "Most Honest" team, Longest Drive, and Closest To The Pin.

RSO Force Competes At PoliceSoftball World Series

The All-Riverside Team Placed 7th

Team Riverside did the County proud at the 14th Annual PoliceSoftball World Series held Oct. 13 in Las Vegas, Nevada. RSO Force tied for 7th place in a division composed of more than 40 different law enforcement teams hailing from all across the United States and Canada.

"Sergeant John Burke, Deputy Javier Morando, and I would like to thank you and the Riverside Sheriffs' Association for sponsoring us in this year's PoliceSoftball.Com World Series," RSO Force team member Ray Ghiliotty said in a thank-you note to the Association.

Most of the teams that competed in the World Series are composed of members of more than one agency, sometimes from out of their state.

RSO Force, Ghiliotty said, was one of the only all-department teams at the event.

"Our entire team consists of members from the Riverside County Sheriff's Department, all whom are RSA members. We played hard and I believe we represented our Department and RSA well," Ghiliotty said.

The open tournament was divided into three divisions: Majors, Mid-Majors, and Gold. The Gold Division was the largest, boasting 40 teams from over 30 states (including Canada).

The competition brought out the best from every player, coach, and fan attending. In addition to great camaraderie and top-notch athleticism, everyone took the opportunity to celebrate the memory of PoliceSoftball Co-Founder Del Pickney, who passed away earlier this year. ★

A KRISTMAS KODE FOR KOPS

GREETINGS IN THE NAME OF OUR LORD!

By **Harley Broviak**
Chaplain

In this special time of the year, let us remember that this time of giving started with the Christ Child coming to the earth. It is written that on that night a strange, but holy silence fell over the troubled earth. Then, chorus, phalanx and legions of angels' voices enveloped the night filled with a bright light from a great star. A divine revelation of a special occasion occurred, the ordination, executed in harmony. Song and joy enraptured all who heard it. Some saying, "What manner of heavenly proclamation is this!" "That the skies have this great light illuminating this land!" Surely Abraham and Moses have prophesized this! Let us pray a prayer of thanks to our God for this happening and a revelation of this event for us to know!

And so, since that time, over two millennia ago, we have learned of the holy gifts that our Lord has sent. No man in history has ever even approached the value of the Christ Child's arrival and His messages of peace, harmony and prayers of thanks.

So likewise, should we consecrate, dedicate and commit ourselves to this eternally magnificent way of life. Our country has struggled, and indeed, still does, to endeavor to put the Christ-given principles into our daily lives. Being guarded, guided, and lead into the paths of peace, harmony, and tranquility for all mankind. It is not an easy road to follow for its premises invites us to each moment, consider the effect our words and actions have on those not yet familiar with their effect and purpose.

Does the warrior have an obligation to follow this enlightened walk? I would say absolutely. What simple basic steps should be a part of our day?

First. It should be a petition of prayers to walk in the light! Pray without "c-sing"! Learn that love still conquers all ills when coupled with the miracle of forgiveness. Wanna sleep at night without turning your bed into a wrestling mat? Then do a momentary, but effectual transition to a spiritual housecleaning before lights out in your room, or in your head! i.e., Father forgive all who have transgressed or trespassed against me.

Second. Surround them with the beautiful Christ light, which extinguishes ill feeling, needs for revenge, or catalogu-

ing these negatives into a permanent place in our memory. Let us love them into the abyss of forgetfulness. Plunging the negatives into the dark waters of an overwhelming deep, never to be seen or heard of again.

Now you say, "But you don't know how angry that intrusion or insult was! You are right, I don't. But if it was that bad, you don't want stinking, putrefied thoughts destroying your peace, harmony and tranquility, do you? Would you carry around a sack full of decaying fish heads and entrails for years? The effect would be sickening and ugly. GET RID OF THE MESS (angry thoughts) NOW! They stifle creativity, joy, peace, and love! Restore your spirit, restore your psyche, restore your body to a wholesome state of purified spiritual air. Want a difference, clean, fresh spiritual air makes! Give yourself a Christmas gift of peace. Teach the same to your family and when asked by a partner, **SHARE IT!**

Good luck warriors! Try it! You'll like it!

Chaplain Harley Broviak

The Making Of A Sheriff

By Ryan Sherman
Legislative Analyst

The historic election of Lt. Chad Bianco as the Sheriff-elect of Riverside County should never have happened.

Incumbent sheriffs rarely fail to win re-election. In fact, over the last 100 years, only one other sheriff was removed from office by the voters - and that happened more than 50 years ago.

Similarly, no lieutenant had ever been elected Sheriff in Riverside County.

Bianco didn't simply defy the odds. He made history. Here is how it happened.

Back in 2014, the RSA helped to oust another incumbent by successfully backing District Attorney Mike Hestrin in his challenge to then- DA Paul Zellerbach.

Sniff was up for re-election that year as well and the RSA endorsed Sniff, but did not provide him with the financial support he received from the association in his prior 2010 election. From what we've heard, the RSA's refusal to make large contributions to Sniff's 2014 re-elect campaign was the turning point in the RSA-Sniff relationship.

Over the years, Sniff had collected more than \$140,000 from the RSA and was extremely unhappy that the RSA didn't do more to support his re-election.

In January 2015, Sniff was sworn in for his third term as sheriff. That same month, Sniff decided that he no longer needed to follow state law or the RSA / Riverside County Contract by meeting with and discussing proposed changes to terms and conditions of employment for Riverside County Deputy Sheriffs. Sniff made it crystal clear to the RSA leadership that he would no longer adhere to past agreed-upon issues. Instead, Sniff believed that his 2014 election showed that he no longer needed the support of the RSA. Therefore, he decided he would simply ignore the issues and concerns of thousands of his own employees. Sniff's dramatic change in

leadership style was the beginning of the end for the 40-year lawman.

Over the next four years, Sniff repeatedly demonstrated his disdain for his employees, except for his hand-picked executive staff to whom he doled out huge pay raises.

In 2015, the RSA Board of Directors announced that they had preemptively pulled their endorsement of Sniff which had dated back to 2007. That same year, the RSA began to collect and organize what would become a voluminous "opposition research" dossier on Sniff.

The groundwork was laid and Sniff's negative issues were identified.

JANUARY 2017 - SNIFF'S VULNERABILITY TESTED

Eighteen months prior to the June 2018 primary, the RSA commissioned a public opinion poll to test the issues most likely to sway voters away from Sniff. We expected the results to show that Sniff was well-known in the county and that the negative issues we collected would cause significant harm to his re-election efforts. The results showed that an overwhelming majority of voters had no idea who Sniff was. Moreover, voters strongly opposed many of the issues, positions, and actions of the Sniff administration, with 70-80% voters refusing to support him.

With these results, we knew we had a really good chance to help voters elect a new sheriff.

APRIL, 2017 - CANDIDATE INTERVIEWS

The RSA Political Action Committee and Board of Directors interviewed a handful of potential candidates interested in challenging Sniff in the June 2018 primary.

JUNE / JULY - THE RSA BOARD OF DIRECTORS ENDORSE BIANCO

The RSA Board also authorized a significant campaign contribution to the Bianco campaign at this time. The contribution gave Bianco instant credibility and viability as a serious candidate.

OCTOBER, 2017 - PROFESSIONAL CAMPAIGN CONSULTANCY RETAINED

GBA hired. RSA had worked closely in the past with GBA, including the successful election of then-Riverside County Supervisor Jeff Stone to the California State Senate. GBA knew Riverside County well.

NOVEMBER, 2018 - SLATE MAILERS PURCHASED

The RSA Board of Directors voted to approve the purchase, on behalf of the Chad Bianco for Sheriff campaign committee, of a number of slate mailers that registered voters receive throughout each election. Democratic and Republican-oriented "Voter Guides" were purchased, in addition to slates that focus on issues such as the Environment, Women, Education, Latinos, Taxpayer Protection, Public Safety, Government Efficiency, Conservative, and Liberal topics. In total, over 1.5 million of these slate cards were sent to Riverside County high-propensity voters in April and May, 2018. This was a cost-effective way to boost Bianco's name in front of voters in time for the June election.

DECEMBER, 2017 - INFORMAL "MEET & GREET" EVENTS

Bianco spends his free time away from work meeting with numerous elected officials, political, community, and civic groups throughout the county as a way of introducing himself to these well-connected supporters and important organizations. Other "Meet & Greets" were scheduled for the first three months of 2018. RSA representatives also met with elected leaders and associations throughout Riverside as part of our effort to explain why the men and women of RSA are seeking new leadership for the sheriff's department and why the best candidate for the job is Chad Bianco.

JANUARY/FEBRUARY - THEN THERE WERE FOUR

Unknown RivCo deputy Miguel Garcia becomes the fourth candidate in

this race for county sheriff. Meanwhile, Bianco's available time away from work becomes scarce as he travels throughout the county. Campaign contribution reports are published, showing Sniff with a sizable lead in in campaign cash. Newspapers and social media pages highlight Sniff's electoral advantages over Bianco. Neither Garcia nor Brown were viewed as viable candidates. In political circles, it was becoming clear that this race would boil down to Sniff and Bianco.

MARCH, 2018 - BIANCO CAMPAIGN ADS RELEASED

The Bianco team releases its first campaign commercial on both network and cable tv. The ad introduced Bianco to the voters, showing him working with law enforcement, touting his experience, and making the case for new leadership. The ad is very well received. The social media ad campaign was also launched.

APRIL, 2018 - POLLING RESULTS & ABSENTEE BALLOTS MAILED

A quick summary here. The polling reinforced our results from 2017 and showed that when voters are educated about Sniff's massive failures as sheriff, they will abandon him in droves.

Our confidence in the campaign strategy continued to grow. Hundreds of thousands of slates were arriving in the mailboxes of the absentee/vote-by-mail voters, reinforcing Bianco's name ID in conjunction with the tv ads.

MAY, 2018 - BIANCO UNDER ATTACK, NEW POLL RESULTS, TV BUY INCREASED

Both Brown and Sniff sent mail to voters claiming Bianco is unqualified to serve as sheriff. Sniff also hit Brown for being the failed former police chief of Hemet - the most crime-ridden city in the county.

However, our tracking poll showed Bianco in the lead by a couple points followed by Sniff, Garcia, and Brown. The majority of voters remained undecided, but the numbers had increased. Importantly, the tv ads appeared to be working because voter support for Sniff dropped by more than 50%.

Sniff continued to raise money, collecting over \$100,000 during the month. During this last month of the campaign, Sniff began telling his friends and supporters that his polling showed him winning his re-election outright with 53% of the vote.

The final weeks of May also saw the Bianco tv ad buy significantly increased with the release of the second tv ad by Bianco. This ad highlighted Sniff's involvement in the promotional exam cheating controversy, his serious mismanagement of our tax dollars, his refusal to stem the tide of dangerous criminals being released back into the communities and crime increased.

JUNE 2018 - WE'RE NUMBER ONE!

The June primary election results were historic. Bianco received 14,000 more votes than "second place Sniff." Sniff was forced into a runoff November election for the first time in his career. Miguel Garcia disappeared from public life and Dave Brown promptly endorsed Bianco for the general election. Immediately after the

election, Sniff blamed his poor showing on low voter turnout and that not enough of his supporters went to the polls. It soon became clear that the June 2018 primary election had one of the largest voter turnouts in recent memory. Sniff's voters had in fact cast ballots - just not for him.

When his voter turnout claim fizzled, Sniff switched his story, claiming that the union spent heavily on false, deceptive ads attacking the men and women of the department. While it's true that the Bianco campaign spent a lot of money on tv, Sniff was unable to point to anything in the ads that was false.

By mid-June, Sniff was telling his staff and big donors that Bianco was out of money and would be easily defeated in November. In reality, it was Sniff's resources that began to dry up as many of his longtime donors stopped taking his calls. Those donors saw what everyone else in Riverside County saw - 68% of the voters rejected Sniff in the primary.

JULY, 2018

Endorsements begin rolling in for Bianco. Members of Sniff's own executive staff abandon the sheriff and publicly announce their support for Bianco.

AUGUST, 2018

Bianco billboards go up throughout the county in an effort to keep his name fresh in voters' minds during a traditionally slow time for campaigns.

SEPTEMBER, 2018 - FUNDRAISING, TV, & POLING

Unlike the primary election, just a few slates were purchased for Bianco for November. The bulk of the campaign resources were instead dedicated to the tv ad buy. RSA representatives had been putting a concerted effort into fostering and maintaining relationships with a variety of elected officials from the state Senate and Assembly, local government, as well as prominent business leaders, organizations, and especially our brothers and sisters in law enforcement associations throughout the county and across the state.

Of note, desert businessman and philanthropist Alex Haagen held a fundraiser for Bianco at his Empire Polo Club and also made a truly generous donation to the Bianco campaign in the amount of \$50,000. At that same event, Terry Hammon, a local chapter president and political action committee member with the California Correctional Peace Officers Association, handed Bianco a check for \$100,000. The politically powerful CCPOA represents nearly 30,000 correctional officers, counselors, and parole agents of the California Department of Corrections & Rehabilitation. They recognized the harm Sniff had been inflicting on his own employees and decided to support our effort to elect a new sheriff.

During the first week in September, we learned that Chad was ahead of Sniff by 9%, although a large portion of voters remained undecided. Sniff's attack ads against Bianco were all over network tv, covering the entire county. Meanwhile, the Bianco camp continued to air the successful tv ads from the primary, giving voters an opportunity to re-acquaint themselves with Bianco's name and candidacy.

The campaign team returned again to Riverside to film a couple more campaign commercials. This time, actual peace officers from the Riverside Sheriffs Department and other law enforcement agencies were the stars of the ad, providing brief testimonials in support of Bianco for sheriff.

The campaign also filmed peace officers detailing the failures of Sniff and

his administration - warning voters to not be fooled by Sniff's false attack ads.

Our final substantive poll of the election was conducted towards the end of the month and showed that Bianco was now known to 50% of the voters, while eleven-year incumbent Sniff was known to just 47%. It was truly astonishing that after campaigning for the prior four years, a previously unknown lieutenant was now better known than the sheriff.

However, when asked who they would vote for if the election were held today, Sniff and Bianco were essentially tied. It seemed Sniff's attack ads had been working. As we dug deeper into the poll, we noticed that voters who claimed to strongly support Sniff were quite low and the bulk of his support was from voters who were leaning towards him, but remained open-minded.

On the bright side, we learned that when positive and negative information about each candidate was provided, Sniff's numbers dropped significantly and Bianco easily surpassed the 50% mark. The campaign had all the information it needed to ensure a Bianco victory.

OCTOBER, 2018 - OUTSIDE POLLING, NEW AD RELEASED, SELF-INFLICTED SNIFF

The positive law enforcement personnel ad was an incredible success with the voters. By the third week of October, polling by other groups had Bianco up 13%.

When the Bianco campaign re-booted for the last two months, the goal was to stay as positive as possible. The national elections were becoming toxic and the campaign decided to stay positive unless it was forced to hit back. Bianco stayed positive for the remainder of the campaign, airing only the positive law enforcement officer ad. It was professional, had a simple, yet strong message of cooperation, looking forward to improving the safety and the lives of Riverside County residents.

As he did since the restart of his campaign in September, Sniff remained in attack mode, launching negative tv and social media ads against Bianco for the final weeks of the campaign. Sniff knew he was losing to Bianco, so he initiated a "Hail Mary" strategy of attacking Bianco 24/7 on tv, social media, mail, and public events.

Sniff was running out of time to persuade enough voters to make a difference. Many voters had already cast their ballots, and those who had not yet voted were barraged with the constant drone of negative ads, which created a huge backlash against Sniff.

To many observers, Sniff was becoming unhinged. His rants and fits of anger were increasingly directed at members of his own campaign team and his employees at the sheriff's office. His "Hail Mary" plan was failing spectacularly.

NOVEMBER, 2018 - ELECTION DAY & FINAL VOTE COUNT

Only one other time in the last 100 years have Riverside County voters thrown out a sitting sheriff, and that occurred over 50 years ago. Voters rejected Sniff's negative politics and overwhelmingly backed Bianco to replace him. Never in the history of Riverside County has a lieutenant ever been elected sheriff, much less defeat an incumbent. Bianco didn't simply squeeze out a win on election night - he trounced Sniff by more than 17%. Sheriff-elect Bianco received more than 94,000 votes than Sniff.

POST SCRIPT

Sniff's downfall may be viewed as a cautionary tale for those who serve in positions of power. Such positions, whether elected, appointed, or achieved by personal sacrifice and fortitude must always be treated as positions of service. Whether in the halls of government or the boardrooms of corporations, the singular purpose of these prestigious positions of honor and respect is to implement all of your skills and abilities in such a manner as to maximize the benefit the organization.

When leaders come to believe that they are more important than the employees and organization they serve, the time is at hand for them to ride off into the sunset - or risk being run out town. Choose wisely.

This Christmas season, I am truly honored and blessed for the opportunity to serve the men and women of the Riverside Sheriffs' Association. As 2019 approaches, I look forward to the new year and the possibilities that will unfold. Congratulations to Sheriff-Elect Bianco!
