Standing For Liberty And Freedom And Fairness

By Bill Young
RSA President

Hello everyone and Happy Fourth of July. I hope this message finds you and your family safe in what is a trying time for law enforcement.

We have entered a world where the profession of law enforcement is under attack, those in law enforcement are dehumanized, and too many of our political leaders refuse to stand up and support us. While we are told that stereotyping is bad, but apparently stereotyping all law enforcement is permissible, and now is even amplified by some reckless politicians.

The barrage of criticism directed at law enforcement is not limited to merely criticizing what we do and how we do it. There is an accompanying effort to delegitimize those employed in law enforcement by taking away our right to unionize, as well as a right to voice our political views collectively. That delegitimization effort which seeks to take away our voice has seen the joining of left-wing groups who despise law enforcement, and right-wing groups that dislike public employees.

While some have called for disallowing campaign contributions from law enforcement labor, we think that is shortsighted. Those same people are not suggesting that elected officials stop taking donations from teachers, nurses, firefighters, criminal justice reform groups and private corporations. Our mission is to support, protect and preserve the rights and working conditions of our members, and our Board has taken that role very seriously.

The RSA is involved in public policy issues so that we can improve the working conditions of our members, and we do so through the political process. Law

enforcement personnel deserve to be involved and informed on the local political process and legislation that affects our daily lives. We are not shy about saying that we are committed to increasing the number of public officials concerned about and engaged in issues affecting policing and public safety. Informed and active participation in the democratic process is essential to a healthy community and a responsive government through balanced conversations. Unions, in general, have been an integral part of the political process, and the RSA has certainly played a role in keeping our community safe for a very long time.

*
 " *We will not be silenced
 because a few people
 attending the Board of
 Supervisors meetings have
 the ear of the media.* "

You aren't robots, so I know this unrelenting barrage of negativity has to be affecting you. I know the public opinion polls show the public supports us, but those voices are silent or ignored. Instead, the media attention is lavished on protestors and lawmakers who are trying to seize the moment to make massive changes, with too many of those with power – be it media or politicians – deciding to listen to the squeaky wheel and disregard the experts or facts. I love this Country and State, but it's sad to see one group's thoughts and messages drive the policy in a dangerous direction.

I pray each day these elected officials will remember that they represent the entire community, not just the loudest or angriest voices. The mistakes or

even crimes of one or two officers does not mean all officers are bad, just as we should not judge any group by the worst action of some members. We don't believe all politicians are crooked because some accept bribes, that all teachers are potential child molesters because some have molested children, or all doctors are incompetent because some doctors are incompetent. Every profession has its bad apples. Despite the false narrative, unions DO NOT exist to protect bad apples, but to ensure that there is due process to our members, as is afforded to all Americans.

Law Enforcement needs to stop being used as the scapegoat for all that might be wrong in the nation. In our country, people are held accountable for their own individual actions; we don't collectively punish a group for the actions of a few. That principle must be applied to law enforcement as well.

President Ronald Reagan famously said, "We're blessed with the opportunity to stand for something—for liberty and freedom and fairness. And these are things worth fighting for, worth devoting our lives to." It is in the spirit of that quote that the RSA has taken a vital role in joining other law enforcement associations and unions to stand proud and fight for what's right. We will not be silenced because a few people attending the Board of Supervisors meetings have the ear of the media as they prattle on saying how bad of a job you're doing and that the community doesn't need law enforcement.

Please remember, while you're working to protect everyone, RSA is at these meetings (in person or virtually) ready to defend you when needed. Please stay strong and remember we signed up for this job to keep people safe and serve the community. If we continue to keep service above self, we will fend off this attack and continue to show we are protecting everyone in the community.

As always, stay safe out there and help ensure your partners go home safe. ★

Calling All RSA Members, Retirees, And Friends Of The RSA Membership

The new and recently dispatched RSA Rollin' Smokehouse is looking for volunteers to help "Serve those who serve" at events to help feed our members and communities.

The Rollin' Smokehouse is dependent on volunteers as it is not staffed with paid employees. Therefore, we are creating a volunteer list for those who want to help before events for prep and during the actual events serving or cooking.

Members, spouses of members, dependents of members over 16 years of age, retirees, and friends of the membership are all welcome to help and volunteer. Culinary experience is always a plus, but not necessary as we will train you to be a culinary apprentice.

This is an excellent opportunity to give back to the membership and community and also gain valuable culinary training.

RSA, Feeding A 'Sleeping Dragon'

DRAGON FOOD: Boxes of hundreds of Jersey Mike's sandwiches ready to give some relief.

Maintaining law and order is hungry work, which is why the RSA lent a hand, and hundreds of sandwiches, during an operation on June 19 to feed deputies out in the field.

RSA donated about 240 sandwiches from Jersey Mike's to the brave men and woman working on Operation Sleeping Dragon. The joint effort combined the Riverside County Sheriff's Department, the Los Angeles County Sheriff's Department, the San Bernardino County Sheriff's Department, the Hemet Police Department, and the Riverside County District Attorney's Office GIT Team in serving 23 search warrants related to illegal indoor residential marijuana growers and sellers in San Jacinto, Hemet, Corona, Eastvale, Rialto, El Monte, South El Monte, West Covina, Rosemead, Lower Azusa, and Calexico.

The operation was a success with about 20,000 plants destroyed, two tons of marijuana collected, about a million dollars in cash seized, and 19 arrests made.

Operation Sleeping Dragon was the culmination of a four-month long investigation into a drug trafficking organization from China operating locally. This investigation started when the San Jacinto Sheriff's Special Enforcement Team (SET) began identifying and serving search warrants for illegal indoor residential marijuana grows within city limits. While investigating each of these grows, San Jacinto SET determined they were all being financed and cared for by the same group of individuals originating out of the Los Angeles area. ★

Police Policies, Procedures & Politics: Part 2

Ryan Sherman
Director, Government
Affairs

As the legislature prepared to return to Sacramento to conduct the final six weeks of work before heading back to their home districts to campaign for re-election, the Speaker of the Assembly announced that his chamber would not return as scheduled on July 13.

Some Assembly members and their staff have contracted the COVID-19 virus and the Capitol was ordered to be closed again until it could be thoroughly cleaned. The President pro tem of the Senate also issued a statement explaining that her members have decided to suspend their return which was also scheduled for July 13. Instead, both houses have announced that they expect to return to Sacramento on Monday, July 27, leaving just five weeks to determine the fate of hundreds of bills.

The anti-law enforcement legislative ideas discussed in last month's publication have now been amended into bills. Here are the main bills we will be working to amend or defeat.

DE-CERTIFICATION / LAW ENFORCEMENT

SB 731 by Senator Steve Bradford (D- Gardena). This bill would declare certificates awarded by the POST to be property of the commission and would authorize the commission to revoke a certificate on specified grounds, including the use of excessive force, sexual assault, making a false arrest, engaging in unprofessional conduct, or any act or omission

“ Crazy year. Crazy times.
Crazy legislation.”

indicative of bad moral character. SB 731 would also grant the commission the power to investigate and determine the fitness of any person to serve as a peace officer. Grounds for the POST to revoke a certificate include if an officer made any misleading, deceptive, untrue, or fraudulent representations in the course of their duties as an officer, including in any document, or engaged in fraud or deceit. Also, if an officer engaged in any unprofessional, unethical, deceptive, or deleterious conduct or practice harmful to the public, whether or not the conduct resulted in actual injury to any person.

Lastly, if an officer committed any act or omission that is indicative of bad moral character or untrustworthiness.

If the certification of an officer is revoked, all records related to the revocation shall be available to the public. The commission shall publish the names of any peace officer whose certification is suspended or revoked and the basis for the suspension or revocation and shall notify the National Decertification Index.

The bill also strips officers of their ability to assert qualified immunity as a limit to civil liability exposure. SB 731 says, “State immunity provisions shall not apply to any cause of action brought against any employee or agent of a public entity, or directly against a public entity.” Curiously, judges and prosecutors maintain their qualified immunity protections and are not subject to the bill. AB 731 is expected to be heard in the Assembly

Public Safety Committee when the legislature reconvenes.

CAROTID & CHOKE HOLDS BANNED

AB 1196 is authored by Assembly member Mike Gipson (D-Los Angeles) and prohibits law enforcement agencies from authorizing these control holds and bans POST from providing instruction on its use. Some sheriffs and police chiefs have already banned the use of these holds, except in instances of self-defense or when deadly force would be justified. All persons have a constitutional right to self-defense, including peace officers. The bill does not prohibit the use of these holds. However, if AB 1196 becomes law, it is likely that these holds should remain permissible under circumstances where deadly force would be justified. AB 1196 is awaiting action in the senate Public Safety Committee.

“LESS-LETHAL” OPTIONS RESTRICTED / BANNED

AB 66 by Assembly member Lorena Gonzalez (D-San Diego) seeks to prevent a repeat of the crowd-control techniques recently used against non-violent protesters in Washington, DC. The bill prohibits the use of kinetic energy projectiles (bean bags, rubber, plastic or foam bullets, wood blocks, etc) and chemical agents (OC, pepper grenades, balls, spray, etc) by law enforcement on peaceful protestors or to

facilitate curfews or a law enforcement directive.

The ban would apply in cases where “peaceful” protesters refuse to comply with a proper law enforcement directive. Peace officers would be barred from using the projectiles or chemical agents to remove protesters marching on a busy downtown freeway or from blocking entrances and exits to a hospital, a fire, police or sheriff’s department building. Protesters could also block entry to elementary schools and prevent paramedics from providing emergency medical care, and law enforcement would be unable to utilize currently available tools to expeditiously protect the public.

The use of these projectiles and chemicals may be permissible if “rioting” occurs, although rioting is not defined in the bill. However, the use of options would be significantly restricted. During a riot, officers would only to authorized to use the “less-lethal” options against “a specific target who presents a clear and imminent threat to themselves, the officers, or other persons”. The bill requires that “Officers shall be mindful of the increased risk of hitting an unintended target due to unexpected movement of members of the crowd,” and that, “Officers shall not use less lethal kinetic energy projectiles indiscriminately against a crowd or group of persons.” Lastly, “A verbal warning shall be issued to the crowd if practical,” and “Officers shall not fire kinetic energy projectiles at persons running away.”

AB 66 also imposes a complete ban on law enforcement use of CN tear gas or CS gas. No exceptions, even in instances where deadly force would be authorized. Officers could utilize their firearms when confronting imminent, deadly force by rioters, but would be barred by statute from using CN or CS.

PERSONNEL FILES / PUBLIC DISCLOSURE

SB 776 by Senator Nancy Skinner (D- Berkeley) expands the type of law enforcement personnel records that are subject to disclosure under the California Public Records Act. This bill would make every incident involving use of force subject to disclosure. It allows unsustained allegations of sexual assault or dishonesty to be disclosed.

SB 776 requires records relating to sustained findings of wrongful arrest and wrongful searches to be subject to disclosure and requires the disclosure of records relating to an incident involving prejudice or discrimination on the basis of protected classes. The bill also requires the retention of complaints currently in the possession of a department or agency and requires that any records relating to an incident when an officer resigned before an investigation is completed to be subject to release, regardless of the outcome of the investigation.

The bill also prohibits the assertion of the attorney-client privilege to limit the

disclosure of factual information provided by the public entity to its attorney for purposes of releasing records and also deletes the provision requiring a court in determining the relevance of evidence to exclude from trial any information consisting of complaints concerning peace officer conduct more than 5 years old. The legislation requires departments or agencies to request and review an officer’s file prior to hiring a peace officer.

SB 776 will require all peace officers to immediately report all uses of force by another officer to the officer’s department or agency or risk criminal liability.

USE OF FORCE REPORTING

AB 1022 by Assemblymember Chris Holden (D-Pasadena) requires all peace officers to immediately report potential excessive force and to intercede when observing an officer using excessive force. Defines “excessive force” as a level of force that is not reasonably believed to be proportional to the seriousness of the offense or the reasonably perceived level of actual or threatened resistance. Use of force policies would be required to prohibit retaliation against officers who report violations and would require an officer who fails to intercede be disciplined in the same manner as the officer who used excessive force.

TOP OBJECTIVES OF RSA

The Riverside Sheriffs' Association is the Exclusive Employee Organization representing our members employed by the Riverside County Sheriff's Department. The Riverside County Sheriff's Department is one of the largest Sheriff's Departments in California.

Represent

To not only represent its members but to advance the social, economic, educational and general welfare of its members. We are committed to fighting for all RSA members.

Seek

To seek legislation necessary or conducive and play an active role in the political arena in furtherance of the interests of the membership.

Promote

To promote the professional interest of the members and protect their rights to such economic, educational and other benefits and services as may be desirable.

Assist

To provide aid through the Riverside County Deputy Sheriff Relief Foundation to members and their families facing life changing crises.

The Riverside Sheriffs' Association began as the Riverside County Sheriff's Training Center Corporation in 1943, but since then has evolved into a labor organization that represents members, individually or collectively, in all matters relating to their employer-employee relations, including but not limited to grievances, labor disputes, hours, wages, and to other terms and conditions of employment as prescribed by law.
