Honoring Hunter Lopez

By Bill Young
RSA President

Hello everyone from RSA. I want to dedicate this month's mes-

sage to paying tribute to our family member and American hero, United States Marine Corps Corporal Hunter Lopez. Hunter Lopez, son of two of our department members, was one of 13 United States service members killed at the Kabul airport during the U.S. led evacuation effort.

Hunter's service above self-mentality started at a young age when he became an Explorer at our Palm Desert Station in September 2014. Hunter prided himself in living a life of service, selflessness, courage, and sacrifice, like his parents. Hunter, eager to start his adulthood of service, joined the United States Marine Corps and was eventually assigned to the 2nd Battalion, 1st Marines. At the time of his death, Hunter was 22 years old and planned on joining the Riverside Sheriff's Department, continuing the tradition of his parents.

I know the entire law enforcement community stands with the Lopez family, friends, fellow Marines, and all who loved him, praying for comfort and peace. From the many members of RSA to the Lopez family, please know that we are all here to support you. Hunter, God bless you and know your

“ Hunter's service above self-mentality started at a young age when he became an Explorer at our Palm Desert Station in September 2014. ”

RSO/RSA family will forever miss you and appreciate the sacrifice you made to ensure we can all remain free.

The Lopez family would like me to share their gratitude for the outpouring of support they have received. The family has no words that can express their gratitude and would like to thank everyone. For those who would still like to help the family, you can make donations to the [Riverside County Deputy Sheriff Relief Foundation](#) in the name of the Lopez Family. The address is 21810 Cactus Avenue, Riverside, CA 92518. You can also log onto the Riverside Sheriffs' Association website, [RCDSA.org](#), and donate online.

NEW EXECUTIVE DIRECTOR

As we move into September, there will be a new face around RSA. Your Board of Directors is proud to announce the hiring of Dave Brown, former Hemet Police Chief, as our new Executive Director. We will miss Mike Abel, who had to step aside for family obligations, and we wish him

well in the future. Thank you, Mike, for your dedication to our members, and remember you will always be a part of the RSA family.

Dave Brown comes to RSA with lots of law enforcement experience as well as Association experience, having served roles within the Hemet Police Officers Association. Due to Dave's experience, your RSA Board of Directors knows he will be able to hit the ground running.

LEGISLATIVE UPDATE

The legislative session has come to an end, and October 10 is the deadline for the Governor to get through the approximately 1,200 bills that reached his desk this year. Below are a few of the many bills that we have been tracking:

This bill would prohibit the use of kinetic energy projectiles or chemical agents by any law enforcement agency to disperse any assembly, protest, or demonstration, except in compliance with specified standards set by the bill, and would prohibit their use solely due to a violation of an imposed curfew, verbal threat, or noncompliance with a law enforcement directive. The bill would include in the standards for the use of kinetic energy projectiles and chemical agents to disperse gatherings the requirement that, among other

On The Governor's Desk

A Flurry Of Last Minute Activity As The Legislative Year Wraps Up

Ryan Sherman
Director,
Government Affairs

The 2021 legislative year concluded on Friday, September 10. The final week was a flurry of bills getting amended and then passing or dying for the year. Your RSA team joined with dozens of other law enforcement associations throughout the state to seek common-sense amendments for the bills we expected to be approved by the legislature.

Many of the bills that began this year as extremely anti-police were amended throughout the session, with significant amendments being adopted in the final weeks.

The following bills were approved by the legislature and as this article went to print, they remain on the Governor's desk awaiting his veto (unlikely) or signature by the Governor.

- **AB 48** – limits, but no longer bans the use of tear gas, pepper spray, rubber bullets, bean bags, wood blocks, etc for crowd control purposes during events that begin as peaceful protests.

// *Your RSA team joined with dozens of other law enforcement associations throughout the state to seek common-sense amendments for the bills we expected to be approved by the legislature* //

- **AB 124** – judges to sentence offenders to the lowest available term if the defendant is either under 26, or suffered any type of psychological, physical or childhood trauma growing up.
- **AB 333** – our DA investigators have referred to this bill as the “Gang Member Protection Act of 2021.” Qualifies currently incarcerated gang members for early release while eliminating a number of crimes and types of evidence that a gang crime occurred.
- **AB 481** – restricts the ability of law enforcement agencies to acquire surplus military equipment from the federal government.
- **AB 490** – prohibits the use of certain control holds that may result in “positional asphyxia.” However, unlike the ban on carotid holds from last year, the bill was amended to allow the use of these holds if the life of an officer is in danger.
- **AB 990** – creates a legal right for state and local prisoners to meet with visitors and prohibits the facility from denying such visits unless there is a legitimate security risk in doing so. The bill also creates a

legal right for visitors to meet with prisoners. Visitors and prisoners can sue if they are denied the visit. Allows parolees, former prisoners of that facility, active gang members, and persons caught smuggling contraband into a correctional facility, as long as it happened a year or more in the past.

- **SB 2** – establishes a licensing and de-certification process for peace officers to be administered by the POST Commission. The extremely biased “advisory board” remains, but it no longer can compel the Commission to adopt its findings or recommendations. The bill also removes “qualified” immunity in state cases for peace

officers who either fail to provide medical care to a prisoner or for an injury caused by the officer’s “instituting or prosecuting any judicial or administrative proceeding within the scope of (the officer’s) employment...”

- **SB 81** – requires a court to consider and afford great weight to evidence offered by the defendant to prove that specified mitigating circumstances are present in an effort to dismiss sentence enhancements. This “proof” is to be weighed greatly in favor of dismissing the enhancement, un-

- **SB 98** – allows reporters (and people claiming to be reporters) to access the law enforcement-secured areas / skirmish lines during civil protests and demonstrations. Specifically exempts these persons from PC §148, prohibiting criminal liability for “reporters” who interfere with or obstruct officers in their official duties. The bill also prohibits officers from interfering with or obstructing a “reporter.” All other persons, firefighters, EMTs, other cops, clergy and even elected officials will remain subject to arrest and criminal prosecution if they interfere or

obstruct officers during such events – but not “reporters.”

The governor will have to decide what impact he would like to have on officer and public safety.

Next month we will report on the action taken by the governor on these bills and discuss the earlier versions of

these bills and the amendments taken. We will also highlight the large number of bills that we were able to help defeat and present the annual RSA Legislative Scorecard which examines the voting record of Riverside-area legislators on law enforcement and public safety-related legislation.

Calling All RSA Members, Retirees, And Friends Of The RSA Membership

The new and recently dispatched RSA Rollin' Smokehouse is looking for volunteers to help "Serve those who serve" at events to help feed our members and communities.

The Rollin' Smokehouse is dependent on volunteers as it is not staffed with paid employees. Therefore, we are creating a volunteer list for those who want to help before events for prep and during the actual events serving or cooking.

Members, spouses of members, dependents of members over 16 years of age, retirees, and friends of the membership are all welcome to help and volunteer. Culinary experience is always a plus, but not necessary as we will train you to be a culinary apprentice.

This is an excellent opportunity to give back to the membership and community and also gain valuable culinary training.

**IF YOU ARE INTERESTED IN THIS OPPORTUNITY OR FOR INQUIRIES REGARDING THE

PEST CONTROL

MVP Solutions Pest Control

Serving the Inland Empire and San Diego County areas. We have very affordable monthly, bi-monthly, and quarterly Pest Control Agreements for you to choose from. How

we beat the other Pest Control Companies is by not charging you an initial start up fee of \$150 to \$250 dollars to initially service your property. The initial fee of \$150 to \$250 that we are not currently charging to the general public is a limited time offer but for First Responders it will continue.
