

Another very successful North Dorset Cycle Ride!

The Annual North Dorset Cycle Ride, organised by Shaftesbury Rotary Club, took place on Sunday 19th May.

We were blessed with perfect riding weather. The event was a great success with 160 riders taking part. The 50-mile ride set off from Park Walk at 8.30am, the 25-mile ride at 9.30am and the family ride at 10.30am. The first rider to the top of Gold Hill in the 50-mile ride made it back in just 2.5 hours. This year Shaftesbury Primary School was the venue for the family ride skills tests. Nearly 70 riders, young and older, took part in tests run by Shaftesbury Rotarians, supported by our RotaKids from Shaftesbury Primary and Abbey Primary.

This year, we were raising funds for local and national causes including the HOPE charity.

A big thank you to BV Dairy for all their help with refreshments at the family ride and their very kind sponsorship. We would also like to thank all the other local businesses that supported the event.
