

## GILLINGHAM ROTARY CLUB PRESIDENT'S NIGHT

President Peter and Muriel joined Rotarians from Gillingham Club, their families and friends for the President's Night at The King's Arms, East Stour on Saturday 29th June. The pub prepared an excellent barbeque and the music played as we sat in the garden. We were made to feel very welcome and enjoyed chatting to a number of different people. Muriel won a super prize in the raffle, topping off a very pleasant evening.

Thanks to Gillingham Club for the invitation. Congratulations to Pat Kenyon on completing his Presidential Year and best wishes to John Kilcourse, President in the coming year.
