

CFECapital announces the appointment of a new Independent Member of the CFE FIBRA E Technical Committee.

Mexico City, Mexico, May 5th, 2025.- CFECAPITAL, S. DE R.L. DE C.V., affiliate company of the Federal Electricity Commission and administrator of CFE FIBRA E, reports that on May 2nd, 2025, the Holders Meeting appointed Yolanda Espinosa Félix as an Independent Member of the Technical Committee.

Espinosa Félix has 23 years of professional experience in the financial sector, focusing on areas such as investment valuation, project portfolio management, and risk analysis. She is currently a Partner and Director of Valuation and Risk at Analysisc and previously served as Investment Manager in the Asset Management area of Citibanamex; a Financial Analyst at Interacciones, a brokerage firm; and advisor to the Undersecretary of Finance and Public Credit, among other positions.

Espinosa Félix has a degree in economics and a master's degree in finance from the Autonomous Technological Institute of Mexico (ITAM by its initials in Spanish).

This appointment strengthens CFE FIBRA E's governance, as well as the quality and solidity of its decisions. This addition reinforces the company's commitment to professional, responsible, and transparent management, aligned with market best practices and adding value for its holders.
