WHAT CLIENTS SAY

NATALIA LYTTLETON

I cannot speak more highly of Inspired Elements. Having worked in interior design, it is unheard of to have a bespoke wardrobe made and fitted in under a week. I have usually worked to lead times of weeks if not months. The finished product was stunning, and customer service also great. The chap sent to measure was knowledgeable and polite. The fitters also. I have no reservation recommending Inspired Elements both for trade and private commissions.

VINEET SOLANKI

Brilliant work by Sanjay with the design and excellent craftsmanship by Adrian and his team who installed the cupboards. Great service provided throughout the process.

SHUAB KUNWAR

Excellent service from beginning to end. Initially we went in to meet Vinod and went through our specification for our wardrobes. Following this a surveyor was sent out and our wardrobes were fitted promptly to a high standard.

They respond to any queries quickly and happy to provide solutions and alternative ideas. Wardrobes are of excellent quality and very happy with the outcome.
