## HEARTH PRODUCT CLIENT LISTING

---

---

PFS TECO clients that manufacture Hearth Products are listed under a service designated as Listing by Report. The description of these products or construction, and information concerning proper field assembly and/or installation, are contained in this Client Listing.

The PFS checkmark certification mark(s) on these products—as illustrated below—is evidence that the manufacturer is under contract with PFS TECO for trademarking and follow-up inspection service.

PFS TECO is recognized by the International Accreditation Service, Inc. (IAS) as an ISO/IEC 17025-accredited testing laboratory and as an ISO/IEC 17020-accredited inspection agency for heating and gas appliances ([www.iasonline.org](http://www.iasonline.org)). PFS TECO is also recognized by the Standards Council of Canada (SCC) as a certification body for heating and gas appliances put into service in Canada ([www.scc.ca](http://www.scc.ca)).

For fireplace mantle installations, hearth extensions, and floor protection, please refer to the manufacturer's installation instructions.
