DESCRIZIONE PRODOTTO

Bright ruby red in color, it offers an intense aroma of ripe cherry and small red fruits, with elegant spicy notes and a subtle floral note. On the palate, it is structured and balanced, with silky tannins and a pleasant freshness that leads to a long and harmonious finish. Perfect as a table wine, it pairs well with red meats, savory pasta dishes, and aged cheeses.

PROFILO TECNICO E SENSORIALE

An authentic and decisive grape, at times austere, but when carefully crafted, it yields profound, elegant wines with great character. Maturation in stainless steel enhances its complexity and harmony, without affecting the grape's typical aromas, with aromas of red fruits, spices, and light floral notes. It is intense, balanced, refined, and unpredictable.

CARATTERE

This is the bold side of me: the one that chose to get her hands dirty, step outside the lines, and take on the challenge of building something of her own.
