JOINT PRESS RELEASE

# GREEN ARROW CAPITAL AND THE PIERALISI FAMILY ANNOUNCE THE COMPLETION OF THE CAPITAL STRENGTHENING TRANSACTION OF THE PIERALISI GROUP WITH THE ENTRY OF VER CAPITAL INTO THE SHARE CAPITAL

*The transaction rewards the turnaround and growth path achieved by CCR II – a fund managed by Green Arrow Capital Alternative Funds SGR – in partnership with the Pieralisi Family.*

*Rome, 4 August 2026* – **Green Arrow Capital**, the leading independent financial manager active in private markets and alternative investments in Italy, and among the top players in Europe with 8 billion euros in assets under management, announces – through the **IDeA CCR II Fund (the "Fund")**, part of the Green Arrow Capital Alternative Funds SGR group following the acquisition of DeA Capital Alternative Funds – that it has completed the sale of a 70% stake in its investee company Pieralisi MAIP S.p.A. to Ver Capital SGR, while simultaneously reinvesting, together with Frapi S.p.A., in a 30% stake in the Group.

The IDeA CCR II Fund held a controlling 51% stake in the company, while the remaining 49% of the share capital was held by the Pieralisi Family through the holding company Frapi S.p.A., the founding family of the eponymous Group.

The transaction, finalized on 30 July 2026, marks the conclusion of a successful journey that saw the Fund stand alongside the Pieralisi Family in supporting the company's turnaround, through significant investments in the renewal and expansion of production capacity, backing organizational development, strengthening the commercial structure and international presence, and paying particular attention to safeguarding the brand – which in 2025 was entered by the Italian Ministry of Enterprises and Made in Italy into the Special Register of Historic Trademarks of National Interest.

**Luca Maran, IDeA CCR II Managing Director (Green Arrow Capital Alternative Funds SGR)** commented: *"Over these years, together with the Pieralisi family and the management team, we have built a virtuous path of turnaround and growth for the Group, investing in people and technological development – key factors that have enabled a historic Italian manufacturing company to strengthen its leadership position in its reference international markets. We are confident that this completed transaction can give further momentum to the Group's growth, a phase which we have chosen to continue supporting by reinvesting alongside Ver Capital with a minority stake".*

**Gabriele Pieralisi, Frapi S.p.a.** commented: "*The Pieralisi family has always stood alongside the company and has taken an active part in its restructuring and turnaround over recent years. The* *transaction just concluded with Ver Capital represents an important milestone in this turnaround journey, in which we are all protagonists and remain strongly confident of achieving the expected results together and consolidating the Pieralisi brand as the world leader in its sector".*

**Aldino Zeppelli, Chief Executive Officer of Pieralisi** stated: *"I am proud to represent and lead the development and growth path of the Pieralisi Group in continuity with the previous shareholder base. The partnership with Ver Capital represents a further opportunity to consolidate and strengthen the Pieralisi brand's leadership on a global scale, and I extend sincere thanks to all those who, through their professionalism and daily commitment, have contributed and will continue to contribute to our Company's success".*

**GREEN ARROW CAPITAL**

**Green Arrow Capital (www.greenarrow-capital.com)** is Italy's leading independent financial asset manager in the private markets and alternative investments sector, and one of the leading players in Europe, with €8 billion in assets under management. To date, more than 150 investors have invested in the Group's funds, (approximately 20% of whom are international), with 85% represented by institutional investors (banks, sovereign wealth funds, funds of funds, banking foundations, pension funds and insurance companies).
Green Arrow Capital was founded in 2012 by Eugenio de Blasio (majority shareholder and Executive Chairman) and Daniele Camponeschi (Group CIO). The management team also includes Alessandro Di Michele (CEO GAC AF SGR and Group General Manager) and Francesco Maria Giovannini (Partner and Deputy Chairman of the SGR), who oversees institutional relations. The Group operates across seven distinct investment strategies — *Private Equity, Energy & Digital Infrastructure, Private Credit, Opportunity Capital, NPL, Client Solutions, and Real Estate* — with 31 funds, seven client solutions products, and dedicated independent teams. The Group is currently fundraising in real estate through the *Mi.To Real Estate Fund* and in private credit through *Private Debt Fund III*, alongside its second *Infrastructure of the Future fund* ("GAIF II") and its fourth *Private Equity fund* (GAPEF IV Italian Champions), supporting outstanding SMEs.

**Pieralisi Maip:** Founded in Monsano in 1888, the company is today among the leading international players in the supply of solutions for centrifugal extraction and separation across numerous application areas, as well as a recognized leader in the production of plants for olive oil extraction. With its production headquarters located in Jesi (AN), the Group has 9 sites worldwide, including in Spain, the USA, Brazil, Germany, Africa and Greece. In 2025, the Group generated revenues of 110 million euros, of which more than 50% from abroad, and a consolidated EBITDA of 10 million euros.
The Group's business model is rooted in an engineering approach geared toward excellence and focused on creating plants entirely manufactured in Italy, designed according to circular economy principles, with particular attention paid to material selection, energy savings and water consumption. The brand's now century-old recognition is synonymous with customer trust and loyalty, as well as a critical success factor thanks to the extensive network of professionals who maintain the installed base worldwide.
