Genco Shipping & Trading to Review Diana Shipping's Unsolicited Tender Offer

Offer Price Remains Unchanged from Prior Inadequate Proposal That the Genco Board of Directors Unanimously Rejected

Shareholders Do Not Need to Take Action at This Time

NEW YORK, May 4, 2026 (GLOBE NEWSWIRE) – Genco Shipping & Trading Limited (NYSE:GNK) (“Genco” or the “Company”), the largest U.S. headquartered drybulk shipowner focused on the global transportation of commodities, today confirmed that Diana Shipping, Inc. (NYSE: DSX) has commenced a conditional, unsolicited tender offer to acquire all of the outstanding shares of Genco not already owned by Diana for \$23.50 per share in cash.

Diana's offer price is unchanged from its inadequate March 6, 2026 proposal to acquire all of the outstanding shares of Genco for \$23.50 per share in cash. At that time, Genco's Board reviewed that proposal with the assistance of external financial and legal advisors and unanimously rejected it, determining that the proposal substantially undervalued the Company, was below the market value of Genco's shipping assets (or NAV) and failed to provide an appropriate premium for control of the Company.

Genco's mean sell-side analyst NAV estimate is currently \$25.80 and the median estimate is \$26.50 in a period of rising asset values across the industry.¹

The tender offer is under consideration by Genco's Board. Genco will issue its formal recommendations to shareholders regarding Diana's tender offer within 10 business days by filing with the U.S. Securities and Exchange Commission a recommendation statement on Schedule 14D-9.

Genco shareholders are advised not to take any action at this time regarding the tender offer.

Jefferies LLC is acting as financial advisor to Genco and Herbert Smith Freehills Kramer (US) LLP and Sidley Austin LLP are serving as legal counsel to Genco. Morgan Stanley & Co. LLC is acting as special advisor to the Board of Directors.

“Safe Harbor” Statement under the Private Securities Litigation Reform Act of 1995

This release contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements use words such as “anticipate,” “budget,” “estimate,” “expect,” “project,” “intend,” “plan,” “believe,” and other words and terms of similar meaning in connection with a discussion of potential future events, circumstances or future operating or financial performance. These forward-looking statements are based on our management’s current expectations and observations. Included among the factors that, in our view, could cause actual results to differ materially from the forward looking statements contained in this release are the following: (i) the Company’s plans and objectives for future operations; (ii) that any transaction based on Diana’s non-binding indicative proposal or otherwise may not be consummated at all; (iii) the ability of Genco and its shareholders to recognize the anticipated benefits of any such transaction; (iv) the exercise of the discretion of our Board regarding the declaration of dividends, including without limitation the amount that our Board determines to set aside for reserves under our dividend policy; and (v) other factors listed from time to time in our filings with the Securities and Exchange Commission, including, without limitation, our Annual Report on Form 10-K for the year ended December 31, 2025 and subsequent reports on Form 8-K and Form 10-Q. We do not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Our ability to pay dividends in any period will depend upon various factors, including the limitations under any credit agreements to which we may be a party, applicable provisions of Marshall Islands law and the final determination by the Board of Directors each quarter after its review of our financial performance, market developments, and the best interests of the Company and its shareholders. The timing and amount of dividends, if any, could also be affected by factors affecting cash flows, results of operations, required capital expenditures, or reserves. As a result, the amount of dividends actually paid may vary.
