Genco Shipping & Trading Board of Directors to Review Revised, Unsolicited Tender Offer from Diana Shipping

Shareholders Do Not Need to Take Action at This Time

NEW YORK, May 27, 2026 -- Genco Shipping & Trading Limited (NYSE:GNK) (“Genco” or the “Company”), the largest U.S. headquartered drybulk shipowner focused on the global transportation of commodities, today confirmed that Diana Shipping, Inc. (NYSE: DSX) has announced a revised tender offer to acquire all outstanding common shares of Genco not already owned by Diana at a price of \$24.80 per share in cash.

Genco’s Board of Directors, in consultation with its financial and legal advisors, will carefully review and evaluate the revised tender offer to determine the course of action that it believes is in the best interests of the Company and all shareholders, consistent with the Board’s fiduciary duties.

As previously disclosed, the Genco Board has reviewed and unanimously rejected prior proposals from Diana, including proposals at \$20.60 and \$23.50 per share and a prior tender offer at the same \$23.50 per-share price.

The revised tender offer is under consideration by Genco’s Board. Genco will issue its formal recommendations to shareholders regarding Diana’s revised tender offer by filing with the U.S. Securities and Exchange Commission an amended recommendation statement on Schedule 14D-9.

With respect to Diana’s tender offer, Genco shareholders do not need to take any action at this time. Genco’s Board recommends that shareholders vote the **WHITE** proxy card **“FOR”** Genco’s nominees, **“WITHHOLD”** on Diana’s nominees and **“AGAINST”** their shareholder proposals.

Jefferies LLC is acting as financial advisor to Genco and Herbert Smith Freehills Kramer (US) LLP and Sidley Austin LLP are serving as legal counsel to Genco. Morgan Stanley & Co. LLC is acting as special advisor to the Board of Directors.

These statements include, but are not limited to: statements related to the Company’s views and expectations regarding Diana Shipping Inc.’s unsolicited tender offer; any statements relating to the plans, strategies and objectives of management or the Company’s Board for future operations and activities; any statements concerning the expected development, performance, market share or competitive performance relating to products or services; any statements regarding current or future macroeconomic trends or events and the impact of those trends and events on the Company and its financial performance; and any statements of assumptions underlying any of the foregoing. Forward-looking statements can be identified by the fact that they do not relate strictly to historic or current facts and often use words such as “anticipate,” “budget,” “estimate,” “expect,” “project,” “intend,” “plan,” “believe,” and other words and terms of similar meaning in connection with a discussion of potential future events, circumstances or future operating or financial performance. These forward-looking statements are based on our management’s current expectations and observations. Included among the factors that, in our view, could cause actual results to differ materially from the forward looking statements contained in this release are the following: (i) the Company’s plans and objectives for future operations; (ii) that any transaction based on Diana’s non-binding indicative proposal or otherwise may not be consummated at all; (iii) the ability of Genco and its shareholders to recognize the anticipated benefits of any such

transaction; (iv) the exercise of the discretion of our Board regarding the declaration of dividends, including without limitation the amount that our Board determines to set aside for reserves under our dividend policy; and (v) other factors listed from time to time in our filings with the SEC, including, without limitation, our Annual Report on Form 10-K for the year ended December 31, 2025 and subsequent reports on Form 8-K and Form 10-Q. Our ability to pay dividends in any period will depend upon various factors, including the limitations under any credit agreements to which we may be a party, applicable provisions of Marshall Islands law and the final determination by the Board of Directors each quarter after its review of our financial performance, market developments, and the best interests of the Company and its shareholders. The timing and amount of dividends, if any, could also be affected by factors affecting cash flows, results of operations, required capital expenditures, or reserves. As a result, the amount of dividends actually paid may vary. In addition, the forward-looking statements included in this communication represent the Company's views as of the date of this communication and these views could change. However, while the Company may elect to update these forward-looking statements at some point, the Company specifically disclaims any obligation to do so, other than as required by federal securities laws.
