Been With Jesus

Acts 4:13-31

When you've been with Jesus, it changes everything.

1. Presence Changes Your Identity

Acts 4:13

God uses ordinary people who have been with Jesus. They didn't have credentials. They had proximity.

2. Presence Produces Evidence

Acts 4:14-22

The real Jesus gives you something to stand on, not just something to talk about. When you've been with Him, you can't stay quiet.

3. Presence Sends You Home to Pray

Acts 4:23-28

Pressure should pull us toward our church family, not away from it. Before they named the threat, they named the throne.

4. Presence Makes Your Prayers Dangerous

Acts 4:29-31

They didn't ask God for a way out. They asked for boldness. If your prayers never scare you, they'll never shake anything.
