STATEMENT OF UNAUDITED FINANCIAL RESULTS FOR THE QUARTER / NINE MONTHS ENDED DECEMBER 31, 2016

- 1 The above unaudited financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on February 07, 2017.
- 2 The Company is operating in a single segment (i.e) "Pharmaceuticals".
- 3 Exceptional items for quarter ended December 31, 2016 represents amortisation of exchange loss on restatement of Foreign currency loans amounting to Rs.999.45 Lakhs (Corresponding previous quarter ended December 31,2015 Rs.1,366.23 Lakhs)
- 4 The Company had exercised the option provided under the Companies (Accounting Standards) Amendment Rules, 2006 dated March 31, 2009. The Ministry of Corporate affairs vide notification dated 29/12/2011 has extended the amortisation of gains or losses arising on reporting of foreign currency monetary items over the balance period of such long term asset/liability. Accordingly exchange loss on long term foreign currency loans have been amortised over the balance period of such loans. The amount remaining to be amortised on account of exercising the above option is Rs.9,354.47 Lakhs.
- 5 Interest expenses for the quarter ended December 31, 2016 is net of interest earned Rs.367.79 Lakhs (Corresponding previous quarter ended December 31, 2015 Rs.305.29 Lakhs).
- 6 Other income for the three months and nine months ended December 31, 2016 includes reversal of excess remuneration paid to Managing Director amounting to Rs.616.71 Lakhs for FY 2012-13 (consisting of 18 months) due to non receipt of approval from Central Government.
- 7 Extra-ordinary item for the nine months ended December 31, 2016 represents write-off of hold back money and inventory related to Transfer of Penam and Penicillin Business during July 2014.
- 8 The auditors have observed matters relating to recovery of certain advances paid to suppliers and non-provision of diminution in value of investments in foreign R&D subsidiaries. The Corporate Debt Restructuring scheme already approved has been implemented in July 2014. Due to financial constraints, the Company was not able to take delivery of materials/capital goods. The company is confident that it would be able to take delivery of these materials/capital goods in due course, based on its performance. In December 2015, the Company, through its subsidiary, has entered in to a long term financial arrangement which will help the Company explore new growth opportunities while enabling the current business achieve incremental value. This will also enable the Company to fulfill all capital commitments and take delivery of the materials / capital goods / adjust the advances. As far as the diminution in value of investments is concerned, the Management is confident that the value of intellectual property of molecules held by the foreign subsidiaries will be more than the investment. Hence the Board of Directors considering the explanation given by the Management is of the opinion that the observations made by the auditors will not have any material impact on the financials.

9 Previous period figures have been regrouped wherever necessary.

This statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

- I. The Company has given advances amounting to Rs. 726 crores to various parties and are outstanding as on December 31, 2016. The Company has not received any materials/ capital goods against these advances. As per information and explanation given, the Company is not able to take delivery of materials due to financial constraints. We are not able to express any opinion on the recoverability of these amounts.**

- II. The Company has investments of Rs. 123.07 Crores and loans of Rs. 36.99 Crores in two subsidiaries carrying on research and development activities. These subsidiaries have not been spending any money on the research during the current period as no financial support is given by the parent Company and the parent Company has not allocated any funds for the future development. No information is also available with the company regarding the value of molecules available with the company. In view of the above, it is necessary to impair the value of this investment.**

Based on our review conducted as stated above, subject to the previous paragraphs (I to II) above, nothing has come to our notice that causes us to believe that the accompanying Statement of unaudited financial results for the quarter and nine months period ended December 31, 2016, prepared in accordance with applicable accounting standards specified
