LUNCH

From 11:00 to 15:00

WHAT ARE MONTADITOS?

A montadito is a small bread roll of around 70 grams (a regular lunch roll is 100 grams). Choose white or brown bread with a range of cold or hot fillings. Their smaller size lets you enjoy several flavours at lunch. A lunch concept that perfectly matches our passion for the tapas we are known for.

As a guide: A little hungry

A close-up photograph of a person's hands pouring Grolsch beer. The beer is being poured from a large, chilled bottle into a smaller glass. Both the bottle and the glass feature the Grolsch logo and the word 'Grolsch' in a stylized script. The beer is a golden color with a thick head of white foam. The background is blurred, showing warm, bokeh lights, suggesting a social gathering or a bar setting.
