## Certification Basis Appendix

### CAA Choose an item. Choose an item. for the [Insert project title] Choose an item.

The CAA Certification Basis of the Choose an item. is that of the [enter affected product or article] amended by the following.

A.1 Airworthiness Requirements

A1.1 [Enter code and amendment, e.g. CS 25 Amdt 23]

|  |  |
|--|--|
|  |  |
|  |  |
|  |  |

A1.2 [Enter code and amendment, e.g. CS 25 Amdt 15]

|  |  |
|--|--|
|  |  |
|  |  |
|  |  |

A.2 Special Conditions

| Reference | Title | Reference Requirement |
|-----------|-------|-----------------------|
|           |       |                       |
|           |       |                       |
|           |       |                       |
|           |       |                       |

A.3 Equivalent Safety Findings

| Reference | Title | Reference Requirement |
|-----------|-------|-----------------------|
|           |       |                       |
|           |       |                       |
|           |       |                       |
|           |       |                       |

A.4 Deviations

| Reference | Title | Reference Requirement |
|-----------|-------|-----------------------|
|           |       |                       |
|           |       |                       |
|           |       |                       |
|           |       |                       |

A.5 Environmental Requirements

Noise Requirements: Chapter 14 of ICAO Annex 16, Volume I, [edition number] Edition, Amendment [xx].

Prevention of Intentional Fuel Venting: Chapter 2, Part II of ICAO Annex 16, Volume II, [edition number] Edition, Amendment [xx]
