Our Success Stories

1 Sino-Japan Import & Export Firm

- **Challenge:** Profit erosion due to FX volatility.
- **Solution:** Locked exchange rates via Currency Hedging.
- **Result:** 20.7M+ JPY profit protected in one deal.

2 Hong Kong Pet Food Distributor

- **Challenge:** Stock gaps due to long US lead times and capital shortage.
- **Solution:** Inventory Financing secured by local stock.
- **Result:** Eliminated stockouts and captured 100% of market demand.

3 African Rubber Supplier

- **Challenge:** Cash flow bottlenecks due to long payment terms and distance.
- **Solution:** Upfront capital provided through Receivable Financing.
- **Result:** Shortened collection cycle by 21 days with steady export growth.

4 Chinese Amazon Seller

- **Challenge:** Domestic restrictions and lack of compliant payout infrastructure.
- **Solution:** HK Virtual Accounts serving as a compliant settlement hub.
- **Result:** Enabled global expansion via centralized collection management.

Fueling Your E-commerce Growth

Instant Payouts

Stop waiting for Amazon or Shopify settlements. Unlock your cash flow immediately after every sale.

No Asset Lockup

Access funding with zero collateral. From sale to restock in hours with no holding periods.

Inventory Freedom

Keep your stock and release your cash. Turn inventory into capital to sell more, faster.

Rapid Scaling

Grow Walmart stores without tying up capital. Instant funding for multi-channel expansion.

Disclaimer:

Financing is subject to eligibility, credit assessment, satisfactory documentation, applicable security or guarantee requirements, lender approval and contractual terms. Advertised limits and advance rates are maximums available only in qualifying circumstances and are not an offer or guarantee of approval. Processing and funding times vary and are not guaranteed. Interest or discount charges, fees, FX spreads and other costs may apply.

Borrowers remain responsible for repayment in accordance with their agreements. Factoring and other receivables arrangements may include recourse or repurchase obligations. Financing, payment and FX services may be provided by different entities. Availability varies by jurisdiction, product, currency, client and transaction. Please review the relevant provider, regulatory information and complete terms before applying.

Warning: You have to repay your loans. Don't pay any intermediaries.
