Membership Availability and Limitations

In order to maintain the highest standards of service and ensure the best possible golfing experience for our members, Peraleja Golf offers a limited number of memberships.

The Club reserves the exclusive and unilateral right to open, restrict, suspend or close the sale of new memberships at any time, without prior notice, based on course occupancy, operational capacity and the number of active memberships.

BOOK 9. PLAY 18.

All rates shown in this document apply to 9 holes.

As a special opening promotion, Peraleja Golf is delighted to offer all players a complimentary second round of 9 holes, allowing you to enjoy the full 18-hole experience at no additional cost.

When you make your booking, your crossover tee time will automatically be reserved for you, so there is no need to decide in advance whether you wish to play the second 9 holes. You are free to make that decision upon completing your first 9 holes, depending on your schedule, preferences or how you are enjoying your round.

If you choose not to play the second 9 holes, there is no need to notify us in advance, and there is no obligation or additional charge.

This complimentary second round is a limited-time courtesy offered by the club as part of our opening promotion and may be modified or withdrawn in the future.
