Focus Notes:

Required lighting elements are described below.
A house rep. plot with these elements will be fine.
Channels are indicated if you are hanging plot from scratch.

Channel 01-03 are Front Warm, General Stage Wash (L-C-R)
Channel 04-06 are Front Cool, General Stage Wash (L-C-R)
Channel 07-09 are Warm, Side Lights (Up-Mid-Dn)
Channel 10-12 are Cool, Side Lights (Up-Mid-Dn)
Channel 13-15 are Warm, Back Lights (L-C-R)
Channel 16-18 are Cool, Back Lights (L-C-R)

These Channel groups can be combined to a single channels providing the wash is uniform.
