

MANDEL JCC
PALM BEACHES

Financial Agreement

This is a financial agreement between you and the Mandel Jewish Community Center of the Palm Beaches, Inc. (Mandel JCC) and is binding for the entirety of the program.

Registration and Fees

Families are responsible for paying an annual non-refundable registration fee of \$90, in addition to annual tuition. The registration fee is due at the time of registration. A non-refundable deposit of \$150 must be paid upon registration that is deducted from the 1st month payment.

Payment Information and Schedule

Although you are allowed to pay your annual tuition in monthly installments, your signature on this agreement commits you to the full amount of annual tuition regardless of your child's attendance in the program.

Installments are payable by either ACH or credit card only. MasterCard, Visa, Discover, or American Express are accepted; however, a 3% convenience fee will apply to all credit card payments.

Installments are processed automatically on or around the 15th of each month beginning July 15, 2026. You are responsible for notifying the Children and Family Department of any changes to your payment information (lost or stolen card, expiration date changes, etc).

If your ACH payment does not go through, we will charge the credit card on file. Payments that are declined by your bank will incur a \$100 Late Fee. Credit card declines will incur a \$72 Late Fee beyond the first occurrence. Any disputed, reversed, or charged-back payment will be treated as a declined payment and subject to the applicable late fee.

Monthly payments will be made by automatic ACH draft or credit card. A 3% convenience fee will be applied to all credit card transactions. If paying installments by ACH bank transfer, a valid credit card must be on file, and you authorize use of this credit card for any arrears on your account due to ACH failure or dispute.

In the event your JCC account is in arrears, your child will not be allowed to attend our Aftercare programming until such time as payment is made current.

Early withdrawal of your child from the JCC Aftercare Program does not excuse your obligation to remaining tuition payments; additionally, early withdrawal will result in forfeit of your deposit and any monies paid.

Cancellation Policy

You are entering into a year-long contract with the Mandel JCC of the Palm Beaches. Monthly installments are offered as a convenience, but your commitment is for the entirety of the agreement term. If you choose to end your contract early, the Mandel JCC requires written notice to cancel a preschool or afterschool program agreement. Once you give notice, you will be responsible for an additional two months of installment payments, not inclusive of the current month. Release of financial responsibility for accounts in good standing will be given once two payments have been posted after giving notice.

If you give notice this month:	You will have payments due these months:	Your last month of care will be:
August	September and October	November
September	October and November	December
October	November and December	January
November	December and January	February
December	January and February	March
