Xlife Sciences raises CHF 5.0 million through capital increase

Xlife Sciences AG (XLS DE) has decided and executed a capital increase on January 25, 2022. It consists of the issuance of 108'495 new shares at a price of CHF 46.20 each in a private placement. In addition, 31'360 new shares were issued to holders of conversion or option rights, bringing the share capital of Xlife Sciences to CHF 5.199.123, divided into 5'199'123 registered shares with a nominal value of CHF 1.00 each.

With the proceeds of CHF 5.0 million, Xlife Sciences intends to continue its focused corporate strategy and to be adequately capitalised for the financing of further promising new project companies.

About Xlife Sciences AG

Xlife Sciences is a Swiss company focused as incubator and accelerator on the value development and commercialization of promising research projects from universities and other research institutions in the life sciences sector, with the aim of providing solutions for high unmet medical needs and a better quality of life. The goal is to bridge research and development to healthcare markets. Xlife Sciences takes carefully selected projects in the four areas of technological platforms, biotechnology/ therapies, medical technology, and artificial intelligence/digital health to the next stage of development, and participates in their subsequent performance.
