Facsimile Score

(2009)

In 2009 ProductionShed.TV produced a 13-part family mystery thriller TV series based on the book, **Kaitangata Twitch**, by internationally acclaimed New Zealand authour Magaret Mahy.

Farr composed the theme music for the series, which tells the story of the reawakening of the tiny island Kaitangata. This reawakening can only be stopped by 13 year old Meredith Gallagher, before the island claims another victim.

This edition is a facsimile of the original score provided by the composer.
