What began with a passion for holiday camps in Durbuy has grown into a unique place where many people feel at home. This personal and family-oriented approach can be felt in every detail: from the carefully designed trails to the warm atmosphere that fills our estate. We invite you to become part of our story and discover the Ardennes as we love them: authentic, full of challenges, and welcoming. Below, you will find an overview of all the other activities we offer in addition to the Sporthotel. Enjoy!
