INDUSTRIAL DESIGN

Nova Design | Providence, RI

Industrial Design Co-op / Spring 2026

Supported design team on 16 client projects spanning UX/UI, video development, traditional product design, and formative user research. Led Marketing Execution for LinkedIn and Monthly Newsletter, and developed and executed internal Book Club.

Procter and Gamble | Cincinnati, OH

Fabric Care Innovation Design Co-op / Summer 2025

Led packaging brief development and design execution based on consumer targets and technical product contradictions. Project included consumer research, graphics and full industrial design process.

Sustainable Consumption Design Co-op / Fall 2024

Designed packaging for initiatives to launch new product forms and delivery systems. Developed manufacturing and scientific visualizations for advertisers. Created visuals to support consumer testing. Developed digital booklet and assets for 3-day event.

UC Ground Floor Makerspace | Cincinnati, OH

Prototype Technician / Summer 2024

Provided guidance to makers and maintained equipment (3D printing, laser cutting, thermo-forming, UV printing, 3D scanning) job queue and space organization.

FINIS, Inc. | Livermore, CA

Industrial Design Co-op / Spring 2024

Collaborated with design team to create new and innovative products for the swimming market. Developed hard goods, planned and executed strategic foresight project, product tested, and developed marketing collateral.

INNOVATION & DESIGN THINKING

The Career Prototype @ SF Design Week | San Francisco, CA

Developed panel and workshop with Nova and level that explores career adaptability. ***Upcoming June 9th, 2026! Ask me more about this event :)

MIT X Hyundai Design Challenge Winner | Cincinnati, OH

Led multidisciplinary team through exploring the future of mobility and AI. Sponsored by Hyundai in collaboration with the MIT Media Lab, DAAP, and the FMD Lab.

NEXT Innovation Scholars (NIS) | Cincinnati, OH

Highly-selective (cohorts of 10-15) scholarship program focused on trans-disciplinary innovation, design thinking, leadership development, and community involvement.

Generative AI Research; NIS x KAO Corporation | New York City, NY

Collaborated with NIS researching generative AI tools to optimize workflow, ensuring innovative strategies aligned with unique brand goals for Molton Brown London.

Social Innovation for Global Impact | UC x Univ. Quebec & Montreal

Teams of UC and UQAM students used lean startup mapping and user-centered design to develop solutions medical field in the ER and triage sector of hospitals.

EDUCATION

University of Cincinnati (DAAP)

B.S in Industrial Design

Certificate in Innovation & Design Thinking,
University Honors Scholar
3.97 GPA, Graduating May 2027

ACTIVITIES

Industrial Designers Society of America

Student Chapter President
Published article; *INNOVATION* Winter '25

College of Education, Criminal Justice, & Human Services Impact Accelerator

Student Associate Researcher

Cincinnati Women in Excellence and Spirit Together (CWEST)

Spirit Chair

Intramural Volleyball

Team Captain

AWARDS

KeyShot Student Ambassador | 2024
Neil Armstrong Moonshot Award for Commercial Innovation | 2024
Mark and Carla Hutker Scholar | 2023
National Co-op Ambassador | 2024
Cincinnati Scholar | 2022 - Present
MidwestCon Best Social Impact Pitch | 2024

SKILLS

Analog

Sketching
