

Your Studio is Cleared for Takeoff!

Be among the first studios to launch the Harmony Explorers Adventure by taking advantage of this special conference pricing!

THE MUSIC CLASS THAT FEELS LIKE A STORYBOOK ADVENTURE

Harmony Explorers is an early childhood music program for ages 3-5 that transforms music education into an interactive global adventure.

Instead of traditional preschool music classes, children experience music through an immersive, hands-on global adventure making each lesson memorable, interactive, and fun.

For studios, this creates an engaging turnkey music program that helps start students earlier, build long-term enrollment and increase student lifetime value.

A new way for young children to explore music
