May Events Bulletin

Welcome to our May Nursery Bulletin!

May is our Month of Sunshine and Growth!
This month, we will celebrate happiness, new beginnings, and togetherness through exciting activities, imaginative crafts, and joyful stories.
Let's brighten our nursery with laughter, learning, and lots of smiles!

VE Day- Friday 8th May

This year marks the 81st anniversary of Victory in Europe Day. The children will be introduced to this significant historical event through carefully chosen stories, creative activities, and music suited to their age. They will make Union Jack bunting and flags, design their own commemorative medals, and create wreaths to remember the occasion. We will also visit our local peace memorial to place the wreaths as a sign of respect and reflection.

International Nurses Day - Monday 11th May

We are excited to celebrate nurses and the important work they do! Children will take part in discussions and role-play to learn how nurses care for others. We encourage children to come dressed as nurses and bring a nurse-themed book or toy to share.

If any parents or carers work in nursing or a similar role and would like to speak to the children, we would love to hear from you—please email the nursery to take part.

National Numeracy Day-Tuesday 19th May

To celebrate Numeracy Day, the nursery will take part in activities that support children's understanding of numbers. Through games and problem-solving, they will build confidence using numbers in everyday situations. They will also explore patterns, shapes, and measuring through play, seeing how maths is part of the world around them.

Thank you in advance for your support!

May Events Bulletin

No pens Day – Wednesday 20th May

On Wednesday 20th May, our nursery will be taking part in No Pens Day as part of Hillingdon's celebration of this initiative. The aim is to let children explore different ways of communication such as discussions, descriptions, dialogues, storytelling, problem-solving, and pretend play, with a strong focus on talk-based activities. We will place emphasis on speaking, facial expressions, and hand movements to support communication and build confidence.

You may find it interesting and fun to continue "No Pens Day" at home, giving you a great opportunity to talk, listen, and connect with your child while supporting their language development.

World Day for Cultural Diversity –Thursday 21st May

The nursery will be celebrating the rich diversity of cultures within our community. **Children and staff are welcome to bring in a special item that represents their culture or dress in traditional clothing**. Throughout the day, we will explore music, food, and stories from around the world, helping children develop an understanding and appreciation of different cultures in an enjoyable and meaningful way.

Bank Holiday

Monday 4th May: Early May Bank Holiday (Nursery Closed)

Monday 25th May: Spring bank holiday (Nursery Closed)

Thank you in advance for your support!
