March 2026 Edition*

T.E.A.C.H students take a college trip to Coppin State University. Who says preparing for the future can't be fun?

Showing up on time has never been so sweet! Students who consistently arrived on time were treated to a hot chocolate stand. Never underestimate timeliness.

Students at T.E.A.C.H get to show off their creativity with our brand new Media Club Afterschool Program! We can't wait to see the fruits of their efforts!
