

T.E.A.C.H. High School Newsletter September 2025 Edition

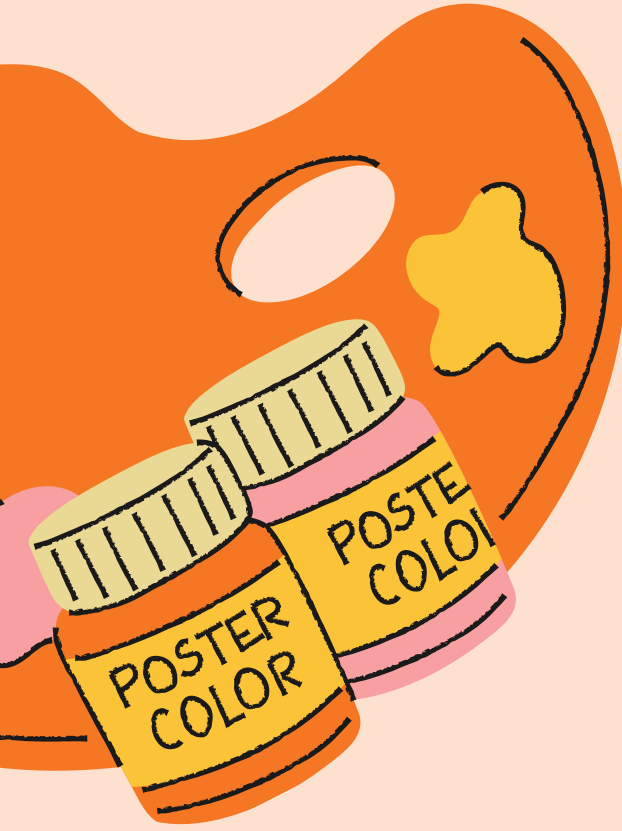

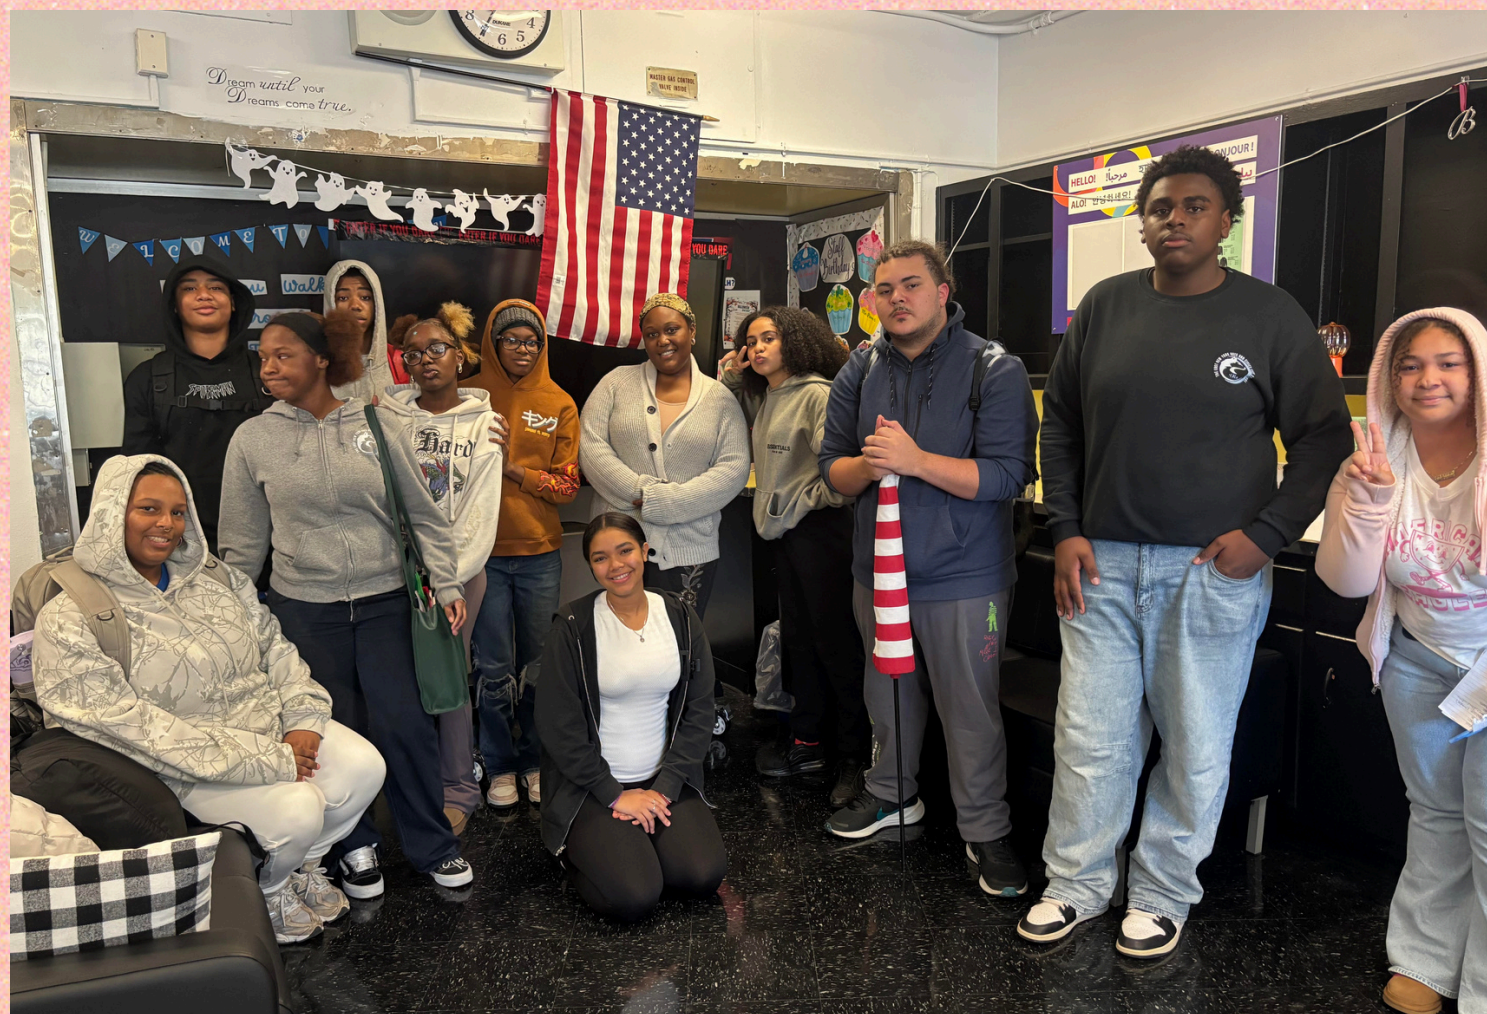

*Welcome Back, T.E.A.C.H. High School Family!
Dear Students, Parents, and Staff,*

Welcome back to another exciting school year at T.E.A.C.H. High School! We hope your summer was filled with rest, growth, and memorable moments. As we step into this new chapter, we're thrilled to reconnect, refocus, and reignite the passion for learning and leadership that makes our school community so special. Whether you're a returning student or new to the T.E.A.C.H. family, this year holds endless growth, discovery, and achievement possibilities.

This year, we're especially excited to welcome two new members to our T.E.A.C.H. team: Alyson Forde, our new Assistant Principal, brings a wealth of leadership experience and a deep commitment to student success. With a collaborative spirit and a clear vision for excellence, she is ready to help guide our school forward and support both students and staff in meaningful ways. Tasneem Ahmad, joining us as our new Math Teacher, is passionate about making math accessible, engaging, and relevant for all learners. He brings creativity and clarity to the classroom; we can't wait for our students to benefit from his energy and expertise!

Please join us in giving them both a warm T.E.A.C.H. welcome!

We're proud to introduce the passionate, driven, and inspiring members of the Teach High School Student Government! These young leaders have stepped up to represent their classmates, bring positive change to our school community, and ensure every student's voice is heard. From organizing school events and spirit weeks to leading initiatives that promote inclusivity and student well-being, this group is ready to lead by example and make Teach High School the best it can be! Stay tuned for updates on events, community projects, and leadership highlights from this amazing team. Let's give it up for the leaders of today and tomorrow!

As always, let's embrace the challenges ahead with curiosity, support one another with kindness, and commit to excellence in all we do. Here's to a year of learning, leading, and living out the values that make up the T.E.A.C.H. community. Welcome back, we're glad you're here!

*Warmly,
The T.E.A.C.H. High School Team*
