

A VIBRANT OPENING WEEK!

We had an incredible start to the school year filled with positive energy, school spirit, and a shared commitment to our scholars' success!

We were excited to welcome visits from the Chancellor's Office, and our scholars showed up ready to bring the positive Teach vibes! Their enthusiasm, pride, and engagement set the tone for an amazing year ahead.

OUR LEADERSHIP TEAM WELCOMED VISITORS
FROM THE CHANCELLOR'S OFFICE!

BACK TO SCHOOL CARNIVAL

COMMUNITY

CULTURE

GOOD FOOD

GOOD VIBES

Our Back to School Carnival gave students a chance to build community, celebrate their cultures, eat good food, and most importantly build a positive environment. From families, music, and energy throughout the day we reminded us of the incredible culture we are building at TEACH.

OUR SCHOLARS BROUGHT THE ENERGY!

GOOD FOOD, GREAT PEOPLE
AND TEACH VIBES!

SPECIAL THANKS

Mr. Fuldiniti & Ms. Diaz

For going above and beyond to support Lens and one of our scholars for an extended period of time. We are committed to excellence, care, and willingness to step in where needed.

Mr. Camardese, Mr. Virgilio,
Mr. Brown & Ms. Thornton

For your diligence throughout the carnival, particularly at our major exits. Your presence helped us maintain a safe, organized, and enjoyable event for all of our scholars.

THANK YOU, TEACH TEAM!

YESTERDAY WAS A WONDERFUL EXAMPLE OF WHAT WE
CAN ACCOMPLISH TOGETHER. OUR SCHOLARS, FAMILIES,
AND COMMUNITY ARE BETTER BECAUSE OF YOU!

ATTENDANCE ON THE RISE!

THE THIRD WEEK OF
SEPTEMBER WE HAD A NEW LOW OF

13

ABSENCES
SCHOOL-WIDE!

Thank you to our entire
team for your consistency,
positive energy, and
commitment to getting
our scholars to school!
Let's keep the
momentum going!

TEACHER SPOTLIGHT

MR. TALUKDAR
1ST YEAR TEACHER

1ST DRAFT PICK "MOST LIKED TEACHER" (THUS FAR!)

Mr. Ahmad is highlighted by both administration and scholars for his culturally responsive and sustaining instructional practices that engage all learners, despite their expertise or interest. He intentionally integrates creative, real-world tasks and activities and provides entry points that help students make genuine connections between their lived experiences and physics concepts. Keep up the amazing work!

TEAMS & CLUBS TOWN HALL

OUR SCHOLARS. THEIR PASSIONS.
BRIGHTER OPPORTUNITIES.

Our Teams & Clubs Town Hall was a **HUGE** success! It was inspiring to see our scholars explore the many opportunities available and identify programs, teams, and clubs that align with their interests and personal goals. The energy, engagement, excitement, and exogement of the day showed the power of what we can accomplish together when we create meaningful opportunities for our students.

PARENT-TEACHER CONFERENCE NIGHT

Thank you to all of our teachers who committed to staying for Parent-Teacher Conference Night. For our first evening, we connected with approximately **10-11 families** between in-person and virtual participation.

With continued preparation and consistent family outreach, we look forward to seeing that number grow and strengthening our partnership with families.

& VIRTUAL**

SPECIAL SHOUT-OUTS

MS. MATHIESON

Thank you for identifying and inviting several amazing presenters who provided valuable resources to our scholars and families, including a detective and a free therapy service provider.

MS. SMITH

Thank you for the warm hospitality at the entrance and your relentless persistence in helping us move toward 100% completion of our lunch forms — we are only a few scholars away!

MR. MERCADO

Thank you for your tremendous operational support and grace throughout the day while serving as our only office staff member present. You carried so much and we see and appreciate you!

THANK YOU, TEACH TEAM!
