- Accommodation:** Coonabarabran
- Total Cost:** Quoted cost includes all transport, entry fees, accommodation & meals

OUR 2-DAY EXAMPLE ITINERARY

DAY 1 – Journey Back in time to the Jurassic period

- 9.00 AM: Meet at school bus bay for departure
- 11.00 AM – Visit Coonabarabran Crystal Kingdom and learn about the incredibly rich geological footprint.
- 12.30 AM – Visit the largest Marsupial that ever lived at the Diprotodon exhibition
- 2.00PM – National Parks and Wildlife Service (NPWS) Discovery Rangers will take us on a guided walks and talks acting as an outdoor classroom, educating students on the unique volcanic formations (like the iconic 90m volcanic dyke known as "The Breadknife"), local biodiversity, and bushfire ecology.
- 5.00PM Students will overnight at Coonabarabran

DAY 2 – Astronomy and Space science Day

- 9:00 AM – During the day, we will explore the Siding Spring Exploratory Centre, an interactive science exhibition filled with graphs, audiovisual displays, and hands-on activities (like planet-weight simulators). Students will also head up to the public viewing gallery inside the massive Anglo-Australian Telescope building.
- 3.00 PM: Estimated arrival back at school (Parents collect from bus bay)
