

ADDITIONAL BENEFITS

Included with all plans

- ✔ **Towing Assistance:** Up to \$300 per covered breakdown.
- ✔ **Rental Reimbursement:** Up to \$50/day for 7 days (maximum \$350).
- ✔ **Extended Rental Benefit:** Additional rental days when covered engine, transmission, or drive axle repairs are performed.
- ✔ **Trip Interruption:** Up to \$125/day for lodging and meals for up to 3 days when a covered breakdown occurs over 100 miles from home.
- ✔ **Food Spoilage:** Up to \$75 reimbursement for food and beverages lost due to a covered repair.
- ✔ **Fuel / LP Gas Replacement:** Up to \$50 reimbursement for fuel loss caused by a covered repair.
- ✔ **Reduced Deductible:** Save \$50 on your deductible when repairs are completed at the selling dealer.
- ✔ **Warranty Deductible Assistance:** Up to \$100 reimbursement for manufacturer-required deductibles.
- ✔ **Guaranteed Part Replacement:** If a covered replacement part fails again during the agreement term, we'll cover the repair.
- ✔ **Service Call Coverage:** Up to \$125 for chassis, slide-out, and jack system service calls.

ROADSIDE ASSISTANCE

- 📍 **Towing Coverage:** Up to \$300.
- 👤 **Roadside Assistance:** Up to \$100.
- ⚡ **Battery Boost:** Jump-start assistance for battery or charging system failures.
- 🔒 **Lock-Out Assistance:** Help gaining access to your vehicle if keys are locked inside.
- 💧 **Fuel, Oil & Water Delivery:** Emergency delivery of essential fluids to help get you back on the road.
- 🛞 **Flat Tire Assistance:** Tire change using your spare tire or towing to the nearest service facility when needed.

evrsure™
Protection for every adventure.

ULTIMATE PROTECTION

Comprehensive coverage for the the unexpected travel with confidence. We've got you covered.

✔
Comprehensive coverage
Protects vital mechanical systems

💰
Unexpected savings
Avoid costly repairs & large out-of-pocket expenses

📍
Travel confidently
Peace of mind on every mile

✂️
Expert support
Fast, reliable claims & assistance

ONE PLAN. COUNTLESS MILES OF PEACE OF MIND.

OPTIONAL COVERAGES

Included with all plans

- ✔ **LIGHTING PACKAGE:** Coverage for electrical failures of interior & exterior factory installed Incandescent bulbs, halogen lights, High Intensity Discharge (HID) & LED assemblies, LED strips.
- ✔ **AUDIO / VIDEO TECHNOLOGY:**
Coverage for factory-installed or dealer-installed entertainment systems, including: Televisions & monitors, Backup monitors, CD/DVD players, Audio/video cabling & hubs, Home theater systems, Amplifiers & speakers, Satellite dishes & antennas, Rotator motors, Signal amplifiers, Control panels & switches, In-motion satellite receivers.
Excludes phones, computers, gaming systems, internet devices, MP3 players, and personal electronic devices.
- ✔ **CONVENIENCE PACKAGE:** *Coverage for factory-installed :* Rear-view cameras & monitors, Kitchen centers, Ice makers, Dishwashers, Washers & dryers, Trash compactors, Thermometers & compasses, Carbon monoxide & smoke detectors, Interior & exterior light fixtures, Light control switches, GFCI outlets, Electrical outlets, Power converters & inverters, Retractable power awnings, Power awning motors & controls, Power step motors & controls, Leveling jack systems, Slide-out systems.
- ✔ **MODIFIED SERVICE CALLS:** Increases covered service call reimbursement from \$125 up to \$250 per occurrence.
- ✔ **AMENDED CAUSE OF LOSS:** Protection when a covered component fails due to the failure of a non-covered component. Also provides coverage when a non-covered part is damaged as a result of a covered breakdown, subject to the terms of the agreement.
- ✔ **UNLIMITED TOWING:** Increases the towing benefit for covered breakdowns, eliminating out-of-pocket towing expenses.
- ✔ **COMMERCIAL USE:** Coverage available when the vehicle is used for approved commercial purposes, including business operation, daily rentals, weekly rentals, monthly rentals, or leases up to 12 months.
- ✔ **HYDRONIC WATER HEATING SYSTEM:** Diesel burner, Heat exchanger, Heater elements, Water pump, Holding tank thermostat switches, Printed circuit board, Thermostat, Control panel.

AVERAGE COST OF REPAIR

Fresh Water: \$800	L.P. Gas System: \$350
A/C Compressor: \$1,600	Drive Axle: \$4,000
Side-Out System: \$2,500	Brakes: \$1,600
Frame: \$3,3500	Alternator: \$800
Header Core: \$1,000	Water Heater: \$1,100
Gas Engine: \$12,500	Refrigerator: \$4,000
Automatic Transmission: \$6,000	Basement A/C System: \$4,500
Diesel Engine: \$12,500	Waste System: \$800
Tire & Wheels (Aluminum): \$950	Roof-Mounted A/C: \$1,500

Generator: \$2,500

Costs stated are sample costs based upon historical data. Actual costs vary according to year, make and model.

ESSENTIAL COVERAGE

Adds major drivetrain & comfort components.

- ✓ **ENGINE:** Covers the cylinder block, heads, and all internal lubricated parts (pistons, pins, rings, liners, rods, bearings, crankshaft, camshaft, lifters, valves, guides, rocker arms). Includes the timing assembly, oil pump/pan, water pump, manifolds, harmonic balancer, flywheel, oil cooler, mounts, vacuum pump, diesel injection pump, fuel heater, turbocharger, waste-gate, and intercooler.
- ✓ **TRANSMISSION:** Transmission case - torque converter, vacuum modulator, transmission mount & cushion, transmission oil cooler, transmission oil pan, electronic shift control unit & solenoids, dip stick & filler tube.
- ✓ **DRIVE AXLE:** (Front & Rear) differential housing, trans-axle housing, final drive housing, axle shafts, constant velocity joints including boots, universal joints, driveshaft(s), hub bearings - supports, retainers & bearings.
- ✓ **FUEL DELIVERY:** fuel supply pump - fuel tank(s), auxiliary tank switch - fuel tank sending unit(s), fuel pressure regulator, fuel distributor, fuel injectors, fuel injection pump.
- ✓ **BRAKES:** Covers the master cylinder, power assist booster/pump, wheel cylinders, combination/equalizer valves, hydraulic control unit, disc calipers, rear actuators, backing plates, and parking brake linkage. Includes full Air Brake System components (compressor, tank, auto bleeder valve, diaphragm, treadle, compensating valve, slack adjusters).
- ✓ **AIR CONDITIONER:** Covers the compressor, clutch/coil, pulley, condenser, evaporator, POA/expansion/suction valves, orifice, accumulator, high/low cutoff switches, receiver-drier, idler pulley, mounts, temperature programmer, power module, blower motor/resistor, P.C. boards, and ducts/registers/outlets.
- ✓ **HEATING & COOLING (CHASSIS):** water pump including housing, impeller, bearings & bushings, radiator, engine thermostat, fan, fan clutch, fan motor, fan controller module, coolant recovery unit, electric block heater, fan shroud, heater core, heater ducts & registers.
- ✓ **SUSPENSION:** (Front & Rear) Covers strut bars, control arms, ball joints, steering knuckles, wheel bearings, stabilizer shafts, kingpins, torsion bars, spindles, coil/leaf springs (with shackles/bushings), leveling-height sensors, control switches, compressor, and air drier.
- ✓ **STEERING:** Covers the gear box/housing and all internal parts, rack and pinion, power steering pump (with cooler), main/intermediate shafts, couplings, tilt/telescoping column, power control valve/cylinder, pitman/idler arms, tie rods/ends, links, bell cranks, and hydraulic steering damper.
- ✓ **ELECTRICAL (CHASSIS):** starter motor & solenoid alternator & voltage regulator distributor ignition coils) wiring harness horns manually operated switches window defrosters. power mirror motors wiper motors power window motors power door lock actuators. power seat motors power antenna motor cruise control transducer engagement switch & servo dashboard gauges dashboard clock manufacturer installed in-dash radio turn signal switch headlight switch dual battery paralleling/isolator switch back up alarm. switch & relay.
- ✓ **ELECTRICAL (CHASSIS):** fuel injection sensors & control module ignition module. anti-detonation sensors & controller-electronic mixture-control unit-Anti-lock brake-electronic control module wheel speed sensors pump motor pressure modulator valve. accumulator digital driver information display power module & printed circuit boards. remote control spotlight system factory installed anti-theft alarm system.

CORE COVERAGE

- ✓ **FRAME:** metal frame. brackets & welds
- ✓ **INTERIOR/EXTERIOR:** hood hinges hood latch. hood springs. door handles. doo hinges. storage compartment handles. hinges & latches. glove box door handle hinges & latches. courtesy map light fixture & switch.
- ✓ **SEALS & GASKETS:** Includes seals, gaskets, and slide-out sealing boots for covered components. Weather seals are covered up to \$500 aggregate (excluding door and window weather seals).
- ✓ **WEAR & TEAR:** Coverage for covered components that fail due to normal use and operation beyond manufacturer design tolerances.
- ✓ **WATER HEATER:** burner assembly. tank thermostat thermocouple. gas valve. heating elements. control panel electronic ignition. assembly. wiring harness control switches printed circuit boards.
- ✓ **FRESH WATER:** water pump. compressor. water tank(s) manifold faucets.
- ✓ **SANITATION:** shower basin, toilet and sink(s), in sink-disposal & switch, holding tanks, gate valves.
- ✓ **ROOF A/C & CENTRAL AIR:** Coverage for compressors, evaporators, condensers, accumulators, expansion valves, blower motors, ducting, thermostats, control panels, switches, fans, and electronic controls.
- ✓ **RANGE & OVEN:** microwave oven, convection oven, power hood, range burner assembly, thermostat, thermocouple, burner valves, igniter/ignition assembly, printed circuit boards.
- ✓ **L.P GAS/PROPANE:** regulators, gas bottles (except valves & gauges) mounting brackets, leak detector & automatic shut-off valve.
- ✓ **HEATING:** Coverage for furnace components, ignition systems, burner assemblies, thermocouples, gas valves, thermostats, blowers, controls, circuit boards, ducts, and registers.
- ✓ **REFRIGERATOR & FREEZER:** thermostat, thermocouple, cooling unit, burner assembly, igniter, control panel, control switches, printed circuit boards.
- ✓ **AUDIO/VIDEO ENTERTAINMENT:** factory-installed or dealer-approved radios, amplifiers, speakers, disc players, and television systems.
- ✓ **AUXILIARY POWER-PLANT/GENERATOR:** Starter, ignition system, controls, gauges, voltage regulator, monitor/control panel, circuit boards, shore power cord, and reel.

Why Evrsure ?

At Evrsure we believe every journey should be enjoyed with confidence— not interrupted by unexpected repair costs. Our Mechanical Protection Plans are designed to help keep you moving while reducing the financial impact of covered mechanical failures.

evrsure™
Protection for every adventure.
