

ADDITIONAL BENEFITS

Included with all plans

✓

Towing Assistance: If towing assistance becomes necessary due to a covered breakdown, towing expense not payable by insurance will be reimbursed up to \$300 per occurrence.

✓

Rental / Transportation Expense: Reimbursement for rental vehicles, Uber, Lyft, etc. Up to \$50/day for up to 7 days, max \$350.

✓

Additional Rental Expense: If a covered repair is performed to the engine, transmission, or drive axle, the rental benefit will be increased by up to 5 additional days.

✓

Trip Interruption / Travel Expense: When your vehicle is disabled more than 100 miles from residence, we reimburse lodging & meal expenses up to \$125/day for up to 3 days.

✓

Service Calls: In the event of a chassis, slide-out, or jack system breakdown, you'll be reimbursed for reasonable service call charges up to \$125 per occurrence.

✓

Reduced Deductible at the Selling Dealer: Choosing the selling dealer for a covered repair reduces your deductible by \$50 (does not apply to \$0 deductible).

✓

Manufacturer Warranty Deductible Reduction: When a manufacturer-required deductible applies, we reimburse you up to \$100.

✓

Guaranteed Part Replacement: If a covered part fails again during the term of the Agreement, the repair charges including the deductible obligation are paid by us.

✓

Food Spoilage: Up to \$75 reimbursement for food and beverages lost due to a covered repair.

✓

Fuel / L.P. Gas Replacement: We reimburse up to \$50 per occurrence for fuel loss due to a covered repair.

ROADSIDE ASSISTANCE

Towing Assistance: up to \$300 per occurrence; vehicle towed to the nearest service facility.

Battery Boost: jump-start assistance for battery or charging system failures.

Flat Tire Assistance: Spare tire installation, or towing if no usable spare is available.

Fuel, Oil & Water Delivery: emergency delivery of essential fluids to get you back on the road.

Lock-Out Assistance: help gaining entry if keys are locked inside the vehicle.

Roadside Assistance: Up to \$100.

evrsure™

Protection for every adventure.

ULTIMATE

PROTECTION

Comprehensive coverage for the the unexpected travel with confidence. We've got you covered.

Comprehensive coverage

Protects vital mechanical systems

Unexpected savings

Avoid costly repairs & large out-of-pocket expenses

Travel confidently

Peace of mind on every mile

Expert support

Fast, reliable claims & assistance

ONE PLAN. COUNTLESS MILES OF PEACE OF MIND.

OPTIONAL COVERAGES

Included with all plans

✓

Convenience Package (Included in Complete): Factory or approved dealer-installed rear-view camera & monitor, kitchen center, ice maker, dishwasher, washer/dryer, trash compactor, thermometer & compass, CO/smoke detectors, interior/exterior light fixtures, GFCI & electrical outlets, power converter & inverter, retractable awning motor & crank gear mechanism, power step motor, leveling jack systems, and slide-out motors, gears, and switches.

✓

Audio/Video Technology (Included in Complete): Factory/dealer-installed high-definition TV/monitors & back-up monitor, disc player, cabling & hubs, home theater audio, satellite dish/antenna including motors, amplifiers & converter. Excludes internet devices, phone/game systems, and personal computers & their monitors.

✓

Hydronic Water Heating System: Covers named components in heating systems such as Aqua-Hot or similar: diesel burner, heat exchanger, heater elements, pump, holding tank, thermostatic switches, printed circuit board, thermostat, control panel. Requires proof of annual service.

✓

Lighting Package (Complete, vehicles up to two model years old): Coverage for electrical failures of interior & exterior factory-installed incandescent bulbs, halogen lights, HID assemblies, and LED strips.

✓

Commercial Use: Extends coverage when the vehicle is used for daily, weekly, or monthly rentals or leases (up to 12 months), or as part of a for-profit business. Requires proof of maintenance. Certain commercial uses are excluded. See your service agreement for complete details.

✓

Amended Cause of Loss: Covers a covered part's failure caused by a non-covered component, and covers a non-covered part damaged as a result of a covered breakdown.

✓

Unlimited Towing: Increases the towing benefit for covered breakdowns to no out-of-pocket expense.

✓

Modified Service Calls: Increases the per-occurrence service call reimbursement from \$125 up to \$250.

AVERAGE COST OF REPAIR

Generator: \$2,500	Frames: \$3,350
Water Heater: \$1,100	L.P. Gas System: \$350
Brakes: \$1,600	Refrigerator: \$4,000
Heat Pump: \$1,000	Drive Axle: \$4,500
Automatic Transmission: \$6,000	Basement A/C System: \$4,000
Engine A/C Compressor: \$1,600	Roof-Mounted A/C: \$1,500
Convection Oven: \$1,300	Braking System: \$1,600
Waste System: \$800	Fresh Water Lines: \$800
Awning-Crank Assembly: \$1,000	

Costs stated are sample costs based upon historical data. Actual costs vary according to year, make and model.

ESSENTIAL COVERAGE

Adds major drivetrain & comfort components.

- ✓

Brake System: Master cylinder, electric or hydraulic brake actuators,backing plates, brake drums.
- ✓

Water Heater: Burner assembly, tank, thermostat, thermocouple, gas valve, heating elements, control panel, electronic ignition, wiring harness, switches & relays, circuit boards.
- ✓

Fresh Water System: Water pump, compressor, water tank(s), water lines, manifold & pipes, connections & fittings, faucets, traps.
- ✓

Waste System: Shower basin, toilet & sink(s), in-sink disposal & switch, holding tanks, gate valves, pipes & traps.
- ✓

Air Conditioning (Roof-Mounted/Central): Compressor, evaporator, condenser, accumulator, expansion valve, receiver-drier, high/low cutoff switches, electronic control board, ducts & registers, blower motor/fan, capacitors, control switches.
- ✓

Range and Oven: Microwave,convection oven, power hood, range burner assembly, thermostat, thermocouple, burner valves, igniter/ignition assembly, circuit boards.
- ✓

L.P. Gas/Propane System: Regulators, gas bottles (except valves/gauges), mounting brackets, gas lines, fittings & connections, leak detector, automatic shut-off valve.
- ✓

Heating System: Furnace, igniter/ignition assembly, burner assembly, thermocouple, gas valve, fittings & connections, fan, filters, control board, thermostat, heat pump, ducts & registers.
- ✓

Refrigerator & Freezer: Thermostat, thermocouple, 2- or 3-way cooling unit, burner assembly, igniter, control panel, switches & connections, circuit boards, latch & door.
- ✓

AUXILIARY POWER PLANT / GENERATOR: Coverage for the engine block, cylinder head, internally lubricated engine components, starter, ignition system, switches, gauges, voltage regulator, generator assembly, monitor/control panel, printed circuit boards, shore power cord, and reel.
- ✓

Seals & Gaskets, Wear & Tear, Tax/Fluids/Lubricants: Seals, gaskets, and boots for covered components (up to \$500 aggregate; excludes door/window weather seals). Includes normal wear coverage, plus applicable taxes, fluids, lubricants, and refrigerant for covered repairs.
- ✓

Interior / Exterior: Door handles, storage compartment handles, hinges & latches, factory or approved dealer-installed manual awning-crank assembly and torsion arms (excludes fabric weather covering).
- ✓

Audio/Video Entertainment: Factory or approved dealer-installed stereo radio receiver, amplifier & speakers, CD player, television.
- ✓

Suspension System: Axle(s), spindles, hub bearings, wheel bearings, coil/leaf springs, spring hangers, rubberized suspension components.
- ✓

Frame: Metal frame, brackets & welds, frame landing gear, jack & coupler, lift crank assembly for popups.

WHY EVRSURE?

At evrsure, we believe every journey should be enjoyed with confidence—not interrupted by unexpected repair costs. Our Mechanical Protection Plans are designed to help keep you moving while reducing the financial impact of covered mechanical failures.

Protection for every adventure.

HOW IT WORKS

- ✂

1.Breakdown Occurs
Take your trailer to a licensed repair facility.
- ✓

2.Claim Authorization
The repair facility contacts EcoRVPro for claim approval.
- 👤

3.Get Back on the Road
Once approved, covered repairs are completed so you can continue your journey.
