ADA SEATING TYPES

Wheelchair Accessible Seats:

Designed to accommodate individuals who use wheelchairs.

Companion Seats:

Intended to be occupied by someone accompanying a patron who uses a wheelchair or has other accessibility needs. These tickets must be purchased simultaneously with the wheelchair-accessible seat to ensure availability and proximity.

- **Additional Accessible Seating:**

Up to three additional wheelchair and companion seating pairs are available behind Section A.

- **Event-Based Availability:**

Additional accessible seating may be offered depending on the event setup and stage configuration. Guests who need accessible seating are encouraged to contact the UTEP Office of Special Events at (915) 747-5481.

ADA SEATING TYPES

Designated seating option for individuals with limited mobility who may require navigating a few steps (up or down) to reach their seat, often located on or near an aisleway. These seats are suitable for guests who can transfer out of a wheelchair into a regular seat but may not be able to navigate extensive stairs or require step-free access.
