With All the Standard Auto Protections.

Decades of Insurance Expertise

Over 100 years of combined experience in the classic car insurance industry

At OpenRoad, collector car insurance isn't a side product — it's all we do. From the CEO down, our team of enthusiasts and industry veterans have spent their careers understanding what collector cars mean to their owners. We used that expertise to build a product with the right coverages and a service team that genuinely understands the emotional and financial investment behind every classic and collector car.
