
NEW SIGNATURE PROGRAM:
SHIP ON CUE

WE HAVE A GIFT FOR YOU:

**Corporate gifting
that keeps on giving.**

SENTIMENT

Take It Personal

Invest in your people, not wrapping paper.

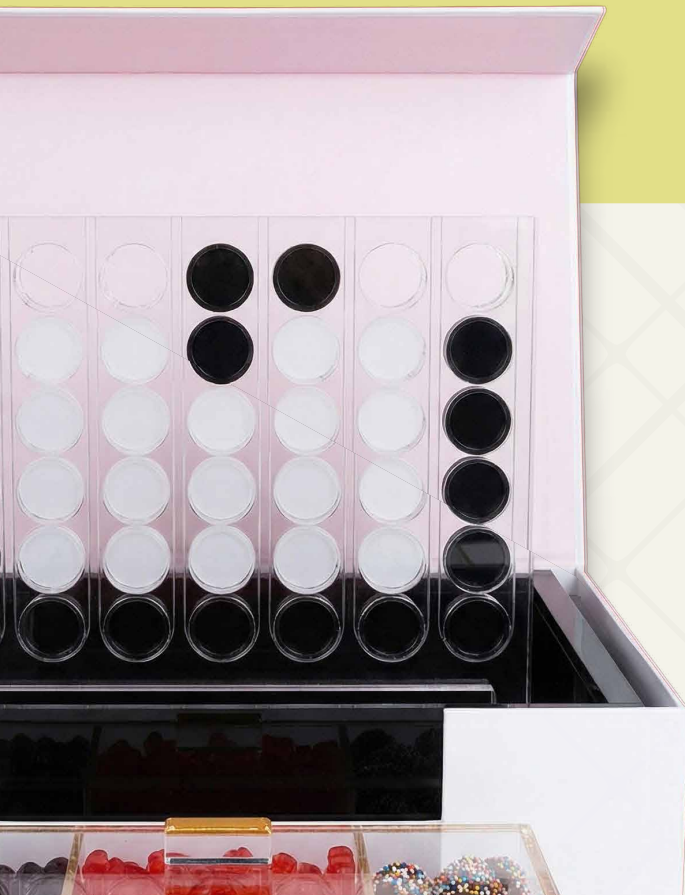

HERE'S OUR TAKE:

You're not supposed to feel that you're gifting. They are supposed to feel.

Ship On Cue transforms all-year corporate gifting from a stressful, reactive project into a routine, automated part of operations.

Like hiring a payroll provider or office supplier, Sentiment is an investment, not an expense:

- **You know your costs on January 1st**
- **It adds no burden on your people**
- **You can gauge ROI in team morale**
- **It's beautiful, personal, & stress-free**

You think about it less. They think about it more.

Like all Sentiment gifts, Ship On Cue is a perfect marriage of infrastructure and personalization.
