ANNUAL REPORTS

NATIONAL CENTER FOR CIVIL AND HUMAN RIGHTS

CREATIVE DIRECTION. PRINT & DIGITAL DESIGN.

OVERVIEW

Working with the **National Center for Civil and Human Rights (NCCHR),** led a team comprised of two production artists to produce the *2023 Impact Report* documenting achievements, milestones, and plans for the upcoming year.

The **NCCHR's** Truth & Transformation initiative developed *The Tulsa Report,* highlighting the experiences of a three-day educational excursion to Tulsa, Oklahoma. Presenting this report in a landscape, "coffee table book" format allowed us to feature the beautiful photography captured during the trip.

I provided creative direction for the interior pages of both reports while designing the front cover and informational flyer for the *2023 Impact Report*.
