

Grant Writer

Objective: To Secure Non-Dilutive Capital

The Grant Writer plays a key role in helping CVIA access funding that supports its growth and long-term impact. This role focuses on identifying relevant grant opportunities and crafting clear, compelling proposals that communicate the vision, value, and potential of the organization.

This role is a strong fit if you:

- Have experience writing grants, proposals, or funding applications
- Can clearly communicate complex ideas in a compelling way
- Are detail-oriented and comfortable working with deadlines
- Care about supporting innovation and regional growth in the Coachella Valley

Commitment:

Flexible and project-based, with time concentrated around active grant opportunities.
