KLEENBOT C30

Professional 3-in-1 Dry Cleaning Solution for Commercial Spaces

- VACUUMS, SWEEPS AND MOPS
- CLEANS 600m² PER HOUR
- 10 HR BATTERY LIFE
- SELF CHARGES AFTER CLEANING

APPLICABLE SECTORS:

Hospitality • Retail • Hotels • Healthcare & Carehomes
• Facility Management • Corporate Environments

Multiple Functions, Professional Cleaning

The robot can simultaneously perform sweeping, vacuuming, dust pushing, and other cleaning tasks, equipped with a powerful suction motor to clean up common garbage.

Convenient and User-Friendly

With a handle-equipped screen, a user-friendly interface and quick disassembly design, the robot is convenient to use and easy to operate.

Smart and Agile with Safety Protection

Featuring 3 Depth Stereo Vision and intelligent obstacle avoidance, the robot can maneuver agilely through crowds while ensuring operational safety.

Self Charging

Configure the robot's operating hours according to your usage schedule. It autonomously returns to recharge after shifts, ensuring optimal energy levels for worry-free operation during service hours.
