| KEYNOTE SPEAKER

Loyal Pyczynski is a high-stakes executive and catalyst for authenticity who **helps high achievers dismantle the imposter narrative by acknowledging the 10% Gap™**. With a powerful blend of executive leadership experience at Meta and Walt Disney Imagineering, elite endurance sports, and the earned resilience of a congenital amputee, his keynotes blend raw emotional depth with practical, business-relevant frameworks that shift corporate culture from “performing” capability to unlocking authentic power.

“*In a world of relentless change, my job is to help organizations solve a single, critical problem: How do we stop “performing” capability and start harnessing the authentic power that actually drives innovation?*”

| WHAT OTHERS SAY

“

*"Loyal, that talk you did during Fusion was honest-to-God the best speech I've ever been in person for. Please forgive the colorful language, but you were a ****ING inspiration."*
