BUBBLES of BEGINNING

Start Fresh and Feel Light by Pouring Happiness into Every Layer

A/W 2026

www.hoplun.com

A woman with long, dark, curly hair is looking down, wearing a maroon-colored top. A large, translucent bubble is in the foreground, partially obscuring her face. The background is a solid teal color. There are several colorful light flares (purple, yellow, and orange) scattered around the bubble and the woman's hair.

LIGHT UP the NEW SEMESTER

Where Learning Meets Laughter

Welcome to the world of Bubbles of Beginning, where the new school year signifies a fresh start, sparks playful moments, and restores the joy of learning.

This capsule combines youthful energy with sophisticated minimalism, drawing inspiration from college life, sports, and vibrant fashion trends.

Explore our curated collection of layered, airy fabrics, romantic details, and iconic shapes, such as the micro boy boxer. Each piece celebrates lightness, laughter, versatility, and self-expression, creating a wardrobe as dynamic and youthful as the season.

Reimagined for a new generation, each design in Bubbles of Beginning balances comfort, style, and fun throughout every student's journey.

Brushed Micro

Plush, ultra-soft brushed micro hugs your skin with cosy comfort, keeping you feeling relaxed all day long. This fabric helps you feel confident and carefree from morning classes to late-night hangouts.

Clean Cut Cotton

Crisp, natural, and versatile, this fabric embodies effortless style for the school season. Its seamless, supportive qualities create a clean, polished look for daily essentials.

Brushed Active Cotton

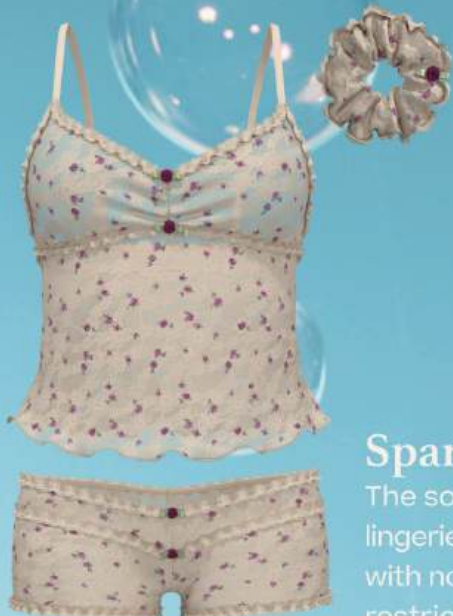

Brushed active cotton features a premium cotton enhanced with HeiQ Mint™ technologies. HeiQ Mint™, infused with mint essential oil, provides natural odor control, keeping you confident and fresh. Your go-to high-performance fabric for active school days or sports between classes, so you stay comfortable and energised.

FABRICS

Pointelle

With its intricate, airy patterns, pointelle knit adds elegance and sophistication to everyday basics. Light, breathable, and subtly textured, it creates visual interest and youthful charm. Perfect for mixing and matching to craft endless possibilities.

Spandex Free Lace

The soft, handcrafted feel of lace adds a romantic charm to everyday lingerie and playful layered looks. This breathable, moisture-wicking fabric with no spandex is gentle on sensitive skin and offers a comfortable, less restrictive fit for all-day confidence.

SHAPES

Micro Boy Boxer

Capturing the A/W 2026 youthful and playful spirit with a cheeky, stylish silhouette designed for lingerie and loungewear with a bold edge.

Layered Silhouettes

Soft tiered layering using lightweight fabrics like knits and sheers to emphasise comfort, versatility, and gentle self-enclosure. The ultimate expression of soft, innocent aesthetics.

High-Leg & Minimal Cuts

Make a statement inspired by 90s minimalism in your active and lounge collections with these bold, high-leg shapes featuring simple, clean lines.

Reinterpreted Classics

Classic prints, such as checks and pinstripes, pair perfectly with modern silhouettes, bringing timeless patterns to contemporary shapes for a refined everyday style.

A large, clear glass bubble filled with water and small, colorful lights, set against a light blue background. The bubble is tilted, and the lights inside create a shimmering effect. The text is centered over the bubble.
