HOP LUN

Sun-soaked textures, artisanal lace, and playful embroidery bring vacation-ready romance to intimates and sleepwear.

Coastal Escapes

Resort romance you can wear anywhere

Textured luxury for everyday escape

Coastal Escapes translates resort living into intimates and sleepwear for buyers seeking texture-rich, vacation-ready assortments with coordinated set appeal. Artisanal laces, hand-feel textures, and charming detailing that your customers will want to live in and gift.

Across eight distinct themes, the capsule balances romance with practicality, transitioning from loungewear to outerwear-inspired styling.

Destination Dressing Starts Here

Key Focus on Shapes

Soft, wireless triangle bralettes.

Longline underwire bras offering extended coverage and lift.

Strapless constructions with multiway straps for occasion dressing.

Frilly shorts and bloomer silhouettes add volume and movement.

Babydolls, midi skirts, and camisoles with ruffle hems and side ties.

The raised stripe construction creates natural airflow and visual interest, while the knit's stretch recovery ensures all-day shape retention. Soft to the touch, with a coastal, sun-bleached aesthetic.

Knitted Seersucker

2

The natural crinkle creates effortless movement and a soft, relaxed hand feel. Breathable and comfortable, this fabric brings breezy, vacation-ready ease to sleepwear and lounge.

Crinkled Viscose

3

Romantic transparency of this breathable lace delivers a soft drape with enough body to hold its shape, making it ideal for layering or wearing solo. Lightweight and airy, it brings artisanal charm to intimates and sleepwear alike.

Sheer Flower Lace

4

This structured lace's hand-crafted feel offers coverage and support without wire, combining artisanal appeal with wearable comfort.

Crochet Lace

5

Luxe finishing meets graphic charm. Stretch satin delivers a smooth hand feel and a subtle sheen, creating wearable statement pieces.

Stretch Satin

6

Daisy embroidery and mesh add graphic interest and feminine detailing. Together, they bring depth, texture, and versatility in layering.

Daisy Embroidery

7

Intricate, airy patterns add visual interest and breathability. Light, tactile, and perfect for mixing and matching.

Printed Pointelle

Sunkissed Stripes

A full-page photograph of two models, a woman and a girl, posing closely together. They are both wearing matching orange lace lingerie. The woman on the left is wearing a bra with ruffled lace, and the girl on the right is wearing a matching triangle top. The background is a soft, out-of-focus pink with some vertical light streaks. The text 'Sheer Boho lace' is written in a large, elegant script font across the middle of the image, with the tagline 'Romantic allover lace for versatile styling' in a smaller script font below it.
