

Pastel Playground

S/S 2027

Playful pastels meet tactile comfort.

Softness with Spirit

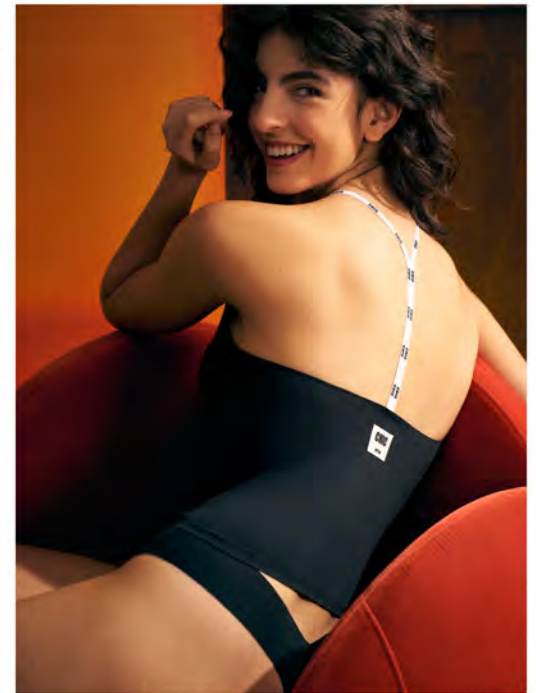

A Gen Z-inspired intimates capsule
built on colour, texture, and character.

Pastel Playground channels the Soft Girlhood movement.
Gen Z's love of nostalgic colour, tactile texture,
and feel-good comfort translated into a full intimates capsule.

From translucent jelly sheers and embroidered cotton checks
to waffle jacquard, cotton touch mesh, and sleek Supima interlock.
Each of the five themes has a distinct texture, silhouette range, and commercial angle.

Bralettes for everyday ease.
Sculpted bodysuits for day-to-night dressing.
A complete bottom edit for every preference.
Every piece is shaped for a consumer who puts comfort and self-expression first.

A woman with dark, wavy hair is lying on her back on a bed with a light-colored sheet. She is wearing a light blue, possibly wet, one-piece swimsuit or underwear. Her arms are raised, and she is looking towards the camera with a slight smile. The lighting is warm and soft, creating a relaxed and intimate atmosphere. The text "It's Playtime!" is written in a white, cursive font across the upper left portion of the image.
