

S/S 2027 **HOP LUN**

Power in Motion

Empowering every athlete to find her fit

A woman with dark curly hair, wearing a white visor, a pink sports bra, and red leggings, is captured in a dynamic pose swinging a tennis racket. She is looking over her shoulder towards the camera. The background is a clear blue sky with a tall stadium light pole on the left. The overall tone is energetic and professional.

Move with power

Train with purpose

High-performance activewear engineered for all training intensities, body types, and movement styles, with inclusive sizing across key silhouettes.

A high-angle, close-up photograph of a tennis racket and a tennis ball on a blue court surface. The racket is positioned diagonally from the top right towards the center, with its head and strings visible. A pink tennis ball sits on the court surface in the lower-left quadrant. The blue surface of the court is textured and shows the shadow of the racket's strings cast across it. The overall lighting is bright, creating sharp shadows.

*Strength in
every stitch*

Style in every size

The Power in Motion capsule delivers an activewear wardrobe across different training intensities.

From low- to medium-impact sports bras to post-workout recovery pieces, with breathable training layers, smart-storage bottoms, and plus-size options in key performance styles.

creora® Power Fit Interlock creates compression support whilst Power Mesh provides strategic ventilation.

Sueded interlock offers soft-touch comfort, and the back brushed interloop brings post-workout ease.

Built for buyers seeking performance-driven design with inclusive sizing and real-world versatility across training, recovery, and everyday movement.

A woman with dark hair, wearing a bright pink ribbed crop top and white athletic pants, is leaning against a black tennis net. She is looking towards the camera with a slight smile. The background shows a tennis court with a blue sky and some trees.

Built to Move

Designed to empower

Performance-driven activewear
with inclusive sizing
and functional design
across workout and recovery.

A blue textured background, possibly a pool table felt. In the top left corner, there is a black net with a diamond pattern. In the top right corner, there is a cluster of colorful fuzzy balls in shades of pink, purple, and white. One such ball is positioned near the center of the image, to the right of the main text.
